---

On March 16, 2018, Development Services Department **APPROVED** an application for Substantial Conformance Review (SCR), Process Two, under the Master Storm Water System Maintenance Program (MSWMP), Amended SDP 1134892 and PEIR 42891/SCH 2004101032, for maintenance of a concrete lined channel to include removal of sediment, vegetation, trash and debris within the Nestor Creek MMP Map 131(reaches 11&12). The Channel is in an urban area between 30<sup>th</sup> Street and the San Diego and Imperial Valley Railroad tracks.

If you have any questions about this project, the decision, or wish to receive a copy of the memo approving or denying the project, contact the City Project Manager above.

This project is within the scope of Program Environmental Impact Report No. 42891, Certified on October 2011. This Program Environmental Impact Report adequately describes the activity for the purposes of CEQA.

The decision of the Development Services Department Staff can be appealed to the **City Council**. An appeal must be made within twelve (12) business days after the decision date. See Information Bulletin 505 "Appeal Procedure", available at [www.sandiego.gov/development-services](http://www.sandiego.gov/development-services) or in person at the Development Services Department, located at 1222 First Avenue, 3rd Floor, San Diego, CA 92101. Please do not e-mail your appeal as it will not be accepted.

This information will be made available in alternative formats upon request.

Internal Order No.:

cc: Alberto Velasquez, Chair of the Otay Mesa-Nestor Planning Group
