Document

Honorable Mayor and Common Council
Civic Center
San Diego, California

Gentlemen:

The El Cajon Boulevard Civic Association is desirous of seeing included in the next annual budget an additional amount of money, approximately \$1500.00 for additional help in order that the new gymnasiums at the Herbert Hoover High School may be opened to the public for recreational purposes.

The Association feels your careful consideration should be given this item that it may be given its proper place in the coming budget.

Yours very truly,

F. H. Jordan
F. H. Jordan,
Secretary
