1058-1062 FOURTH STREET

SAN DIEGO, CAL. 7/3/11

To the Honorable Common Council,
of the City of San Diego Calif,

Gentlemen:-

There having been so much criticism in regard to the withdrawal of our firm name from the petition for abolishing free lunch in saloons we desire to submit the following explanation. In the first place a person engaging in ^{the} business of selling wines and liquors at retail should make an honest and determined effort to obey the law governing the sale of same in the locality in which he is located.

Secondly he should at all times look after the comfort and welfare of his customers, After signing the petition mentioned above we ~~thought~~ thought it would be wise to consult some of our customers in the matter, After interviewing more than fifty business men and mechanics we found that ~~the~~ ^{the} each and every one of them disapproved of proposition, This was the reason and the only one that prepped us to withdraw our firm name from the petition.

Most truly yours,

F.W. Bradley Co.
