

**SAN DIEGO POLICE DEPARTMENT
PROCEDURE**

DATE: JANUARY 23, 2019

NUMBER: 6.22 – PATROL

SUBJECT: RELEASING MILITARY PERSONNEL ON A
VOLUNTARY PROTECTIVE CUSTODY TURNOVER

RELATED POLICY: [6.22](#)

ORIGINATING DIVISION: SUPPORT OPERATIONS
COMMAND: OPERATIONAL SUPPORT

NEW PROCEDURE:

PROCEDURAL CHANGE: **MINOR CHANGES**

SUPERSEDES: DP 6.22 – 10/16/2015

I. PURPOSE

This Department procedure establishes guidelines for the proper handling and disposition of military personnel taken into custody as the result of an arrest.

II. SCOPE

This procedure applies to all sworn members of the Department.

III. BACKGROUND

The United States Court of Military Appeals has ruled that the taking of military personnel into "protective custody" amounts to an arrest and that, unless the person wants to be returned to his/her unit, a "protective custody" turnover is unlawful. As a result of this ruling, the military will not accept a "protective custody" turnover unless it is a "voluntary protective custody" with the consent of the military personnel detained.

IV. PROCEDURES

A. Generally, arrests of military personnel shall be handled in the same manner as arrests of non-military persons.

- B. Exceptions to this would be “voluntary protective custody” turnovers in cases where no judicial follow-up is sought (i.e., drunk in public arrests). Department of Defense (DOD) Police have assumed primary jurisdiction of “voluntary protective custody” turnovers of all naval personnel. Officers may transport naval personnel agreeing to a “voluntary protective custody” turnover to the closest naval installation. DOD Police will assume custody and transport to their respective commands. DOD Police can be reached 24-hours a day at (619) 524-6999.
- C. Voluntary protective custody turnovers of all military personnel arrested at the San Ysidro or Otay Mesa Ports of Entry can be facilitated through the Border Shore Patrol, located in the Customs Building, San Ysidro Port of Entry. The Border Shore Patrol office can be reached at (619) 428-2427 or (619) 428-1318. The duty officer carries a cell phone and can be reached 24-hours a day at (619) 572-1584.

Note: Border Shore Patrol will not accept voluntary protective custody turnovers of military personnel arrested outside the immediate border area.
- D. Military authorities will not take any official action against military personnel for non-military criminal offenses. Officers should consider this when deciding whether to provide arrested military personnel with the option of voluntary protective custody turnover.
- E. When military personnel under arrest decline to be turned over to their respective commands, they should be handled the same as non-military persons. If, for example, under similar circumstances a civilian would be released at the scene, the same disposition should be made with military personnel.
- F. A military member who is Absent Without Leave (AWOL) or a deserter should be released to DOD Police or their respective military commands unless non-military criminal charges require otherwise.
- G. Officers making an arrest or detention of military personnel shall complete an Arrest/Detention report (ARJIS-8) consistent with any other field arrest or detention.

NEW

V. **ASSEMBLY BILL 953**

Assembly Bill 953 (AB 953), also known as the Racial and Identity Profiling Act (RIPA) of 2015, requires law enforcement agencies to collect data on all stops, detentions, and searches. This includes consensual searches and instances where force was utilized. In order to capture this data, a new application will be available for every event generated through the Department's MPS and Intranet systems beginning July 1, 2018. There is a template to collect the required data in the F: Drive under Templates/Patrol Based Forms/PD-953, if the database application is temporarily unavailable. The data documented on this form shall be entered into the electronic application prior to the end of officer's shift unless exigent circumstances exist.

Under this mandate, the data collected will include the date, time, and duration of the stop, the location, perceived race or ethnicity, perceived gender, perceived LGBT, perceived or known disability, English fluency, perceived age, and the reason for the stop, detention, or search. The reason for the stop may be generated from a call for service, a traffic violation, reasonable suspicion or knowledge that the person was engaged, or about to engage in criminal activity and conclude with the actions taken by the officer. These actions will describe the basis of the search, whether or not contraband or other evidence is discovered, the reason for and type of property seized and the results of the stop or detention. The data collected under RIPA replaces the data previously collected from vehicle stop data cards.

NEW

A. When completing a detention and/or arrest report, officers will ensure the narrative includes that a RIPA entry was submitted for every person being arrested or detained.

NEW

B. Supervisors will verify officers have documented the RIPA entry in their narrative prior to approval.

This notification should be made as soon as possible after the identification of military involvement.
- C. NCIS Special Agents can assist with locating military personnel who are involved in criminal investigations. They have access to personnel, financial, and medical records for all active duty military and dependents (if treated in military facilities).
