## Update from Councilman Kersey

San Diego summers are always an incredibly exciting and busy time for our City. From the All Star Game earlier this month to Comic-Con this weekend, San Diego continues to shine in the national spotlight. See some updates from my office below:

### Rally held in support of local law enforcement

This week, I was proud to stand with San Diego law enforcement, elected officials and faith leaders to express support for local law enforcement professionals. In the wake of trying times nationally, San Diego can serve as a national example and remain the safest big city in the nation. [Read more...](#)

*On a related note, I hope you'll participate in this year's National Night Out. The events being held throughout the district are meant to bring police and community together. More info is in the "Get Involved" section at right.*

### Local firefighters participate in wildfire training

Our City firefighters are preparing for a hot and dry summer by participating in a refresher course in wildland firefighting techniques. But the work of protecting homes from fire is not on the shoulders of firefighters alone. Homeowners have an important role to play as well. [Check out this video for more info and tips.](#)

### Council approves plan to enhance Balboa Park, Mission Bay

I joined my Council colleagues to unanimously support a new plan that will provide funding for San Diego's regional parks, including Mission Bay Park and Balboa Park. If approved by voters in November, hundreds of millions of dollars would be available for critical infrastructure projects, including rehabilitating historic structures in Balboa Park. Starting Thursday, July 21, the card will be available at all branch libraries while supplies last. Additionally, the Central Library will be offering a Comics Conference for educators and librarians. [Read more...](#)

### Councilman Kersey appointed to San Diego Airport Authority

The San Diego County Regional Airport Authority Board manages the day -to-day operations of the San Diego International Airport and address the region's long-term air transportation needs. I look forward to contributing my expertise so we can ensure our transportation network meets the needs of San Diego's growing population and binational high-tech economy. [Read more...](#)
