

Purchasing and Contracting Department
Sole Source Request and Certification Form

To: Director of Purchasing and Contracting
Cc: Chief Financial Officer
From: Nicole LeClair-Miller, Deputy Director Financial Operations
Date: April 1, 2022

In alignment with the guidance provided in the San Diego Municipal Code section 22.3016, the Purchasing Agent (Director of Purchasing and Contracting) must certify that the award of a sole source contract is necessary by memorializing in writing why strict compliance with a competitive process would be unavailing or would not produce an advantage, and why soliciting bids or proposals would therefore be undesirable, impractical, or impossible.

For consideration, this form must be completed and all required accompanying information must be submitted together, including any related contracts. Failure to do so will result in a delay of approval of the request.

Describe commodity or service(s) to be purchased. Include vendor contact information.

The Office of the City Treasurer is requesting a sole source contract to hire Tricia Mendenhall as a consultant to continue with the implementation of the STRO Program, a high priority initiative for the City. Ms. Mendenhall has served as the Department project lead since its inception due to her unique skill set and knowledge base, specifically her previous role supervising TOT administration and her proven ability to successfully implement new Programs such as the Minimum Wage and Earned Sick Leave Ordinance. In addition, while serving as the project lead, Ms. Mendenhall possesses in depth knowledge of both the project and application, and has established critical working relationships with stakeholders inside and outside the City to help drive and met tight timelines. She is the subject matter expert within the Office of the City Treasurer. The Department must receive authorization to establish a sole source to meet ongoing project requirements and critical project deadlines.

Since March 2021, as a City employee, Ms. Mendenhall has served as the STRO Program lead for the Office of the City Treasurer. Ms. Mendenhall will be ending City employment in July of 2022 and due to delays in the implementation of the STRO ordinance, the City would like to retain Ms. Mendenhall on an as needed basis through June 30, 2023. To date, Ms. Mendenhall has overseen all aspects of the STRO Program implementation. The scope and breadth of this project is significant, including the development and staffing of a new section/program, the implementation of licensing software, and the development of processes and procedures. Additionally, this project includes integration with various systems and coordination with other City departments such as DSD, City Attorneys, and PandA, as well as outreach and education to stakeholders, the public, and the Mayor and City Council. The STRO licensing requirement has an estimated implementation date in the spring of 2023, requiring the City to begin accepting applications as early as the summer of 2022. After the application period is complete, the Program must begin developing and implementing compliance processes as well as phase II of the system implementation, which will include the acceptance of various reporting requirements mandated by the STRO Ordinance.

The Department is requesting that this contract be certified as a sole source vendor and excluded from competition due to Ms. Mendenhall's extensive experience, proven ability, specific knowledge of the project and the system and the imminent deadlines of the project. The Office of the City Treasurer is requesting a sole source contract for one (1) year, from July 1, 2022 through June 30, 2023.

Justification

1. This product or service is available from only one supplier and meets at least one of the following criteria (please check all that are applicable):

- One-of-a-kind/Compatibility*
- a. Required by Warranty: the product matches existing equipment, infrastructure and is required by warranty. **(A letter from the provider which supports this claim must be provided.)**
 - b. Goods and Services:
 - i. the good has no competitive product or alternative on the market.
 - ii. the service requires a special skill, ability, or expertise linked to the current project that cannot be provided by another supplier.

(Documentation in support of either of the above claims must be provided by the requesting department.)

City Standards

The product or service complies with established, existing City standards.

Replacement

The product or service is the only compatible replacement component that supports a larger system. Or, the services are the only ones that can replace the existing service requirements.

2. Do any of the following situations exist?

Limited Competition

Department made an attempt to find a second or multiple sources to no avail.

Emergency

There is an urgent need for the item or service and time does not permit the City to solicit for competitive bids, as in the cases of emergencies as defined under SDMC section 22.3208,. (Delays in solicitation do not satisfy this criteria)

Cost/Market Analysis

Purchasing and Contracting will perform due diligence on each request. If Purchasing and Contracting can find a suitable, cost effective alternative, this request will be denied and that alternative will be pursued after your department has been contacted to discuss the revised determination.

This form does not take the place of an agreement and all sole source requests for a period of one year or longer will require the **submission of an agreement**. The requesting department must submit a purchase requisition and a copy of this certification to Purchasing and Contracting for a Purchase Order to be issued.

PCO Due Diligence (PCO to initial all that apply)

- _____ Proof of warranty or maintenance requirement for standardized and replacement items confirmed.
- _____ Vendor/Supplier confirmed submission of justification letter.
- _____ Market test confirmed that there is no advantage to the City in competing this contracting opportunity to multiple vendors.
- _____ Emergency verified with the department.
- _____ Pricing agreement has been reviewed.

WE Purchasing and Contracting has reviewed this request and affirms that this request for a sole source justification is appropriate.

This sole source is approved for:

- One (1) year from the signature date below.
- For the entire length of the contract, but not more than five (5) years.

The length of the contract must be consistent with the sole source approval. A sole source request must be submitted and approved by the Purchasing and Contracting Director prior to the award of each new contract and prior to each extension of an existing contract that was not contemplated in the initial contract term.

_____ After reviewing the provided information and due diligence, I cannot recommend the approval of this request.

Purchasing and Contracting Director Review

I certify that strict compliance with a competitive process would be unavailing or would not produce an advantage, and that soliciting bids or proposals would be therefore undesirable, impracticable or impossible. My approval is contingent on the information provided in this form.

- In accordance with SDMC §22.3016, this request is approved.
- Based on the information provided and due diligence recommendation of staff, this request is denied.

Consultant shall not be paid for the Services required due to the Consultant's errors or omissions, and Consultant shall be responsible for any Additional Costs associated with such errors or omissions. These Additional Costs may be deducted from monies due, or that become due, to Consultant. Whether or not there are any monies due, or becoming due, Consultant shall reimburse City for Additional Costs due to Consultant's errors or omissions.

3.5 Eighty Percent Notification. Consultant shall promptly notify City in writing of any potential cost overruns. Cost overruns include, but are not limited to the following: (1) where anticipated costs to be incurred in the next sixty calendar days, when added to all costs previously incurred, will exceed 80 percent of the maximum compensation for this Agreement; or (2) where the total cost for performance of the Scope of Services appears that it may be greater than the maximum compensation for this Agreement.

ARTICLE 4 WAGE REQUIREMENTS

4.1 [Reserved].

ARTICLE 5 CONSULTANT'S OBLIGATIONS

5.1 Right to Audit. City retains the right to review and audit, and the reasonable right of access to Consultant's and any Subcontractor's premises, to review and audit Consultant's or Subcontractor's compliance with the provisions of this Agreement (City's Right). City's Right includes the right to inspect, photocopy, and retain copies of any and all books, records, documents and any other information (Records) relating to this Agreement outside of Consultant's premises if deemed necessary by City in its sole discretion. 5.2.1 Subcontractor Contract. Consultant shall require Subcontractor to obtain and maintain insurance policies as required by City for the duration of this Agreement. Consultant shall determine Subcontractor policy limits and required endorsements proportionate to the services performed by Subcontractor.

5.2.1.1 Consultant is obligated to pay Subcontractor, for Consultant and City-approved invoice amounts, out of amounts paid by City to Consultant not later than fourteen working days from Consultant's receipt of payment from City. Nothing in this paragraph shall be construed to impair the right of Consultant and any Subcontractor to negotiate fair and reasonable pricing and payment provisions among themselves.

5.2.1.2 If Subcontractor's performance is deficient, Consultant shall notify City in writing of any withholding of payment to Subcontractor, specifying: (a) the amount withheld; (b) the specific cause under the terms of the subcontract for withholding payment; (c) the connection between the cause for withholding payment and the amount withheld; and (d) the remedial action Subcontractor must take in order to receive the amount withheld. Once Subcontractor corrects the deficiency, Consultant shall pay Subcontractor the amount withheld within fourteen working days of the Consultant's receipt of City's next payment.

5.2.1.3 City shall not be made a party to any judicial or administrative proceeding to resolve any dispute between Consultant and Subcontractor. Consultant agrees to defend and indemnify the City as described in the City's General Terms and Provisions, attached hereto as Exhibit D, and incorporated by reference, in any dispute between Consultant and Subcontractor should City be made a party to any judicial or administrative proceeding to resolve the dispute in violation of this position.

The Contract Documents are comprised of the Request for Proposal, Invitation to Bid, or other solicitation document (Solicitation); the successful bid or proposal; the letter awarding the contract to Contractor; the City's written acceptance of exceptions or clarifications to the Solicitation, if any; and these General Contract Terms and Provisions.

3.2.5 Extraordinary Work. City will not pay Contractor for extraordinary work unless Contractor receives prior written authorization from the Contract Administrator. Failure to do so will result in payment being withheld for services. If approved, Contractor will include an invoice that describes the work performed and the location where the work was performed, and a copy of the Contract Administrator's written authorization.

3.2.6 Reporting Requirements. Contractor must submit the following reports using the City's web-based contract compliance portal. Incomplete and/or delinquent reports may cause payment delays, non-payment of invoice, or both. For questions, please view the City's online tutorials on how to utilize the City's web-based contract compliance portal.

3.2.6.1 Monthly Employment Utilization Reports. Contractor and Contractor's subcontractors and suppliers must submit Monthly Employment Utilization Reports by the fifth (5th) day of the subsequent month.

3.3 Annual Appropriation of Funds. This Contract may be terminated at the end of the fiscal year for which sufficient funding is not appropriated and authorized. City is not obligated to pay Contractor for any amounts not duly appropriated and authorized by City Council.

3.4 Price Adjustments. Based on Contractor's written request and justification, the City may approve an increase in unit prices on Contractor's pricing pages consistent with the amount requested in the justification in an amount not to exceed the increase in the Consumer Price Index, San Diego Area, for All Urban Customers (CPI-U) as published by the Bureau of Labor Statistics, or 5.0%, whichever is less, during the preceding one year term. If the CPI-U is a negative number, then the unit prices shall not be adjusted for that option year (the unit prices will not be decreased). A negative CPI-U shall be counted against any subsequent increases in the CPI-U when calculating the unit prices for later option years. Contractor must provide such written request and justification no less than sixty days before the date in which City may exercise the option to renew the contract, or sixty days before the anniversary date of the Contract. Justification in support of the written request must include a description of the basis for the adjustment, the proposed effective date and reasons for said date, and the amount of the adjustment requested with documentation to support the requested change (e.g. CPI-U or 5.0%, whichever is less). City's approval of this request must be in writing.

ARTICLE IV SUSPENSION AND TERMINATION

4.1 City's Right to Suspend for Convenience. City may suspend all or any portion of Contractor's performance under this Contract at its sole option and for its convenience for a reasonable period of time not to exceed six (6) months. City must first give ten (10) days' written notice to Contractor of such suspension. City will pay to Contractor a sum equivalent to the reasonable value of the goods and/or services satisfactorily provided up to the date of suspension. City may rescind the suspension prior to or at six (6) months by providing Contractor with written notice of the rescission, at which time Contractor would be required to resume performance in compliance with the terms and provisions of this Contract. Contractor will be entitled to an extension of time to complete performance under the Contract equal to the length of the suspension unless otherwise agreed to in writing by the Parties.

4.2 City's Right to Terminate for Convenience. City may, at its sole option and for its convenience, terminate all or any portion of this Contract by giving thirty (30) days' written notice of such termination to Contractor. The termination of the Contract shall be effective upon receipt of the notice by Contractor. After termination of all or any portion of the Contract, Contractor shall: (1) immediately discontinue all affected performance (unless the notice directs otherwise); and (2) complete any and all additional work necessary for the orderly filing of documents and closing of Contractor's affected performance under the Contract. After filing of

documents and completion of performance, Contractor shall deliver to City all data, drawings, specifications, reports, estimates, summaries, and such other information and materials created or received by Contractor in performing this Contract, whether completed or in process. By accepting payment for completion, filing, and delivering documents as called for in this section, Contractor discharges City of all of City's payment obligations and liabilities under this Contract with regard to the affected performance.

4.3 City's Right to Terminate for Default. Contractor's failure to satisfactorily perform any obligation required by this Contract constitutes a default. Examples of default include a determination by City that Contractor has: (1) failed to deliver goods and/or perform the services of the required quality or within the time specified; (2) failed to perform any of the obligations of this Contract; and (3) failed to make sufficient progress in performance which may jeopardize full performance.

4.3.1 If Contractor fails to satisfactorily cure a default within ten (10) calendar days of receiving written notice from City specifying the nature of the default, City may immediately cancel and/or terminate this Contract, and terminate each and every right of Contractor, and any person claiming any rights by or through Contractor under this Contract.

4.3.2 If City terminates this Contract, in whole or in part, City may procure, upon such terms and in such manner as the Purchasing Agent may deem appropriate, equivalent goods or services and Contractor shall be liable to City for any excess costs. Contractor shall also continue performance to the extent not terminated.

4.4 Termination for Bankruptcy or Assignment for the Benefit of Creditors. If Contractor files a voluntary petition in bankruptcy, is adjudicated bankrupt, or makes a general assignment for the benefit of creditors, the City may at its option and without further notice to, or demand upon Contractor, terminate this Contract, and terminate each and every right of Contractor, and any person claiming rights by and through Contractor under this Contract.

4.5 Contractor's Right to Payment Following Contract Termination.

4.5.1 Termination for Convenience. If the termination is for the convenience of City an equitable adjustment in the Contract price shall be made. No amount shall be allowed for anticipated profit on unperformed services, and no amount shall be paid for an as needed contract beyond the Contract termination date.

4.5.2 Termination for Default. If, after City gives notice of termination for failure to fulfill Contract obligations to Contractor, it is determined that Contractor had not so failed, the termination shall be deemed to have been effected for the convenience of City. In such event, adjustment in the Contract price shall be made as provided in Section 4.3.2. City's rights and remedies are in addition to any other rights and remedies provided by law or under this Contract.

4.6 Remedies Cumulative. City's remedies are cumulative and are not intended to be exclusive of any other remedies or means of redress to which City may be lawfully entitled in case of any breach or threatened breach of any provision of this Contract.

**ARTICLE V
ADDITIONAL CONTRACTOR OBLIGATIONS**

5.1 Inspection and Acceptance. The City will inspect and accept goods provided under this Contract at the shipment destination unless specified otherwise. Inspection will be made and acceptance will be determined by the City department shown in the shipping address of the Purchase Order or other duly authorized representative of City.

5.2 Responsibility for Lost or Damaged Shipments. Contractor bears the risk of loss or damage to goods prior to the time of their receipt and acceptance by City. City has no obligation to accept damaged shipments and reserves the right to return damaged goods, at Contractor's sole expense, even if the damage was not apparent or discovered until after receipt.

5.3 Responsibility for Damages. Contractor is responsible for all damage that occurs as a result of Contractor's fault or negligence or that of its' employees, agents, or representatives in connection with the performance of this Contract. Contractor shall immediately report any such damage to people and/or property to the Contract Administrator.

5.4 Delivery. Delivery shall be made on the delivery day specified in the Contract Documents. The City, in its sole discretion, may extend the time for delivery. The City may order, in writing, the suspension, delay or interruption of delivery of goods and/or services.

5.5 Delay. Unless otherwise specified herein, time is of the essence for each and every provision of the Contract. Contractor must immediately notify City in writing if there is, or it is anticipated that there will be, a delay in performance. The written notice must explain the cause for the delay and provide a reasonable estimate of the length of the delay. City may terminate this Contract as provided herein if City, in its sole discretion, determines the delay is material.

5.5.1 If a delay in performance is caused by any unforeseen event(s) beyond the control of the parties, City may allow Contractor to a reasonable extension of time to complete performance, but Contractor will not be entitled to damages or additional compensation. Any such extension of time must be approved in writing by City. The following conditions may constitute such a delay: war; changes in law or government regulation; labor disputes; strikes; fires, floods, adverse weather or other similar condition of the elements necessitating cessation of the performance; inability to obtain materials, equipment or labor; or other specific reasons agreed to between City and Contractor. This provision does not apply to a delay caused by Contractor's acts or omissions. Contractor is not entitled to an extension of time to perform if a delay is caused by Contractor's inability to obtain materials, equipment, or labor unless City has received, in a timely manner, documentary proof satisfactory to City of Contractor's inability to obtain materials, equipment, or labor, in which case City's approval must be in writing.

5.6 Restrictions and Regulations Requiring Contract Modification. Contractor shall immediately notify City in writing of any regulations or restrictions that may or will require Contractor to alter the material, quality, workmanship, or performance of the goods and/or services to be provided. City reserves the right to accept any such alteration, including any resulting reasonable price adjustments, or to cancel the Contract at no expense to the City.

5.7 Warranties. All goods and/or services provided under the Contract must be warranted by Contractor or manufacturer for at least twelve (12) months after acceptance by City, except automotive equipment. Automotive equipment must be warranted for a minimum of 12,000 miles or 12 months, whichever occurs first, unless otherwise stated in the Contract. Contractor is responsible to City for all warranty service, parts, and labor. Contractor is required to ensure that warranty work is performed at a facility acceptable to City and that services, parts, and labor are available and provided to meet City's schedules and deadlines. Contractor may establish a warranty service contract with an agency satisfactory to City instead of performing the warranty service itself. If Contractor is not an authorized service center and causes any damage to equipment being serviced, which results in the existing warranty being voided, Contractor will be liable for all costs of repairs to the equipment, or the costs of replacing the equipment with new equipment that meets City's operational needs.

5.8 Industry Standards. Contractor shall provide goods and/or services acceptable to City in strict conformance with the Contract. Contractor shall also provide goods and/or services in accordance with the standards customarily adhered to by an experienced and competent provider of the goods and/or services called for under this Contract using the degree of care and skill ordinarily exercised by reputable providers of such goods and/or services. Where approval by City, the Mayor, or other representative of City is required, it is understood to be general approval only and does not relieve Contractor of responsibility for complying with all applicable laws, codes, policies, regulations, and good business practices.

5.9 Records Retention and Examination. Contractor shall retain, protect, and maintain in an accessible location all records and documents, including paper, electronic, and computer records, relating to this Contract for five (5) years after receipt of final payment by City under this Contract. Contractor shall make available all requested data and records at reasonable locations within City or County of San Diego at any time during normal business hours, and as often as City deems necessary. If records are not made available within the City or County of San Diego, Contractor shall pay City's travel costs to the location where the records are maintained and shall pay for all related travel expenses. Failure to make requested records available for inspection, copying, or other reproduction, or auditing by the date requested may result in termination of the Contract. Contractor must include this provision in all subcontracts made in connection with this Contract.

5.9.1 Contractor shall maintain records of all subcontracts entered into with all firms, all project invoices received from Subcontractors and Suppliers, all purchases of materials and services from Suppliers, and all joint venture participation. If requested, Contractor shall schedule the first quality assurance meeting no later than eight (8) weeks from the date of commencement of work under the Contract. At the quality assurance meeting(s), City's Contract Administrator will provide Contractor with feedback, will note any deficiencies in Contract performance, and provide Contractor with an opportunity to address and correct such deficiencies. The total number of quality assurance meetings that may be required by City will depend upon Contractor's performance.

5.11 Duty to Cooperate with Auditor. The City Auditor may, in his sole discretion, at no cost to the City, and for purposes of performing his responsibilities under Charter section 39.2, review Contractor's records to confirm contract compliance. Contractor shall make reasonable efforts to cooperate with Auditor's requests.

5.12 Safety Data Sheets. If specified by City in the solicitation or otherwise required by this Contract, Contractor must send with each shipment one (1) copy of the Safety Data Sheet (SDS) for each item shipped. Failure to comply with this procedure will be cause for immediate termination of the Contract for violation of safety procedures.

5.13 Project Personnel. Except as formally approved by the City, the key personnel identified in Contractor's bid or proposal shall be the individuals who will actually complete the work. Changes in staffing must be reported in writing and approved by the City.

5.13.1 Criminal Background Certification. Contractor certifies that all employees working on this Contract have had a criminal background check and that said employees are clear of any sexual and drug related convictions. Contractor further certifies that all employees hired by Contractor or a subcontractor shall be free from any felony convictions.

5.13.2 Photo Identification Badge. Contractor shall provide a company photo identification badge to any individual assigned by Contractor or subcontractor to perform services or deliver goods on City premises. Such badge must be worn at all times while on City premises. City reserves the right to require Contractor to pay fingerprinting fees for personnel assigned to work in sensitive areas. All employees shall turn in their photo identification badges to Contractor upon completion of services and prior to final payment of invoice.

5.15 Licenses and Permits. Contractor shall, without additional expense to the City, be responsible for obtaining any necessary licenses, permits, certifications, accreditations, fees and approvals for complying with any federal, state, county, municipal, and other laws, codes, and regulations applicable to Contract performance. This includes, but is not limited to, any laws or regulations requiring the use of licensed contractors to perform parts of the work.

5.16 Contractor and Subcontractor Registration Requirements. Prior to the award of the Contract or Task Order, Contractor and Contractor's subcontractors and suppliers must register with the City's web-based vendor registration and bid management system. The City may not award the Contract until registration of all subcontractors and suppliers is complete. In the event this requirement is not met within the time frame specified by the City, the City reserves the right to rescind the Contract award and to make the award to the next responsive and responsible proposer of bidder.

If Deliverable Materials provided hereunder become the subject of a claim, suit or allegation of copyright, trademark or patent infringement, City shall have the right, in its sole discretion, to require Contractor to produce, at Contractor’s own expense, new non-infringing materials, deliverables or works as a means of remedying any claim of infringement in addition to any other remedy available to the City under law or equity. In no event shall any putative assignment create a contractual relationship between City and any putative assignee.

13.3 Independent Contractors. Contractor and any subcontractors employed by Contractor are independent contractors and not agents of City. Any provisions of this Contract that may appear to give City any right to direct Contractor concerning the details of performing or providing the goods and/or services, or to exercise any control over performance of the Contract, shall mean only that Contractor shall follow the direction of City concerning the end results of the performance.

13.4 Subcontractors. All persons assigned to perform any work related to this Contract, including any subcontractors, are deemed to be employees of Contractor, and Contractor shall be directly responsible for their work.

No waiver of any breach shall affect or alter this Contract, and each and every covenant, condition, and term

hereof shall continue in full force and effect without respect to any existing or subsequent breach.

13.11 Severability. The unenforceability, invalidity, or illegality of any provision of this Contract shall not render any other provision of this Contract unenforceable, invalid, or illegal.

Any alleged oral amendments have no force or effect. The Purchasing Agent must sign all Contract amendments.

Varying degrees of stringency among the main body of this Contract, the exhibits or attachments, and laws, regulations, or orders are not deemed conflicts, and the most stringent requirement shall control. Each party shall notify the other immediately upon the identification of any apparent conflict or inconsistency concerning this Contract.

13.15 Survival of Obligations. All representations, indemnifications, warranties, and guarantees made in, required by, or given in accordance with this Contract, as well as all continuing obligations indicated in this Contract, shall survive, completion and acceptance of performance and termination, expiration or completion of the Contract.

This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, and a listing of City

contract numbers and contracting offices for all City contracts against which final payment has not been made. This obligation remains in effect until final payment is made under this Contract.

13.18 No Third Party Beneficiaries.
