Mr. Geo. M. Sears,
Chief of Police,
San Diego, Calif.

Dear Sir:-

As a measure of public decency and in the interest of the majority of the property owners in this vicinity, I wish to lodge a most emphatic protest against the manner in which Frank's Grill, 3139 National Avenue, is being operated.

Almost every night there is carousing, loud talking, singing, shouting and other disturbances until two and three o'clock in the morning. Drunken men and women from this place vomit ~~and urinate~~ in the streets and on nearby property. They walk all over lawns and steps of nearby homes and it is impossible to get any rest. More than forty children in this immediate section and subjected to the influence of this place and its patrons.

Frank's Grill is operated by one Frank Fieger.

I can produce more than 30 witnesses from this section who will corroborate my statements and I urge that action be taken at once to eliminate this nuisance.

Respectfully,

H. BOBZIEN,
3151 National Ave.
