Dear Sir,

If I were  
you I would  
change my mind  
about the Monroe  
Field Ice Rink!

I see a lot of  
action being taken  
against you in  
my neighborhood.

Lady, Secretary

Dear Se.

What about  
the ice-creams in  
moral field?

We hate your deci-  
sion.

To the members of the Planning Comm.  
Dear Sirs,

Inspired by my daughter,  
I am going to drop you a little  
note in hopes that you might  
regard it kindly, and take  
heed. There has been much  
discussion about building an  
ice rink on Monroe Field. I  
sincerely hope that you will  
withdraw your former decision,  
and decide to give permission  
to build a much needed ice  
rink on Monroe Field!

Sincerely,

A resident of East San Diego

To the City Council,  
Dear Sirs,

San Diego badly needs an  
rink on Monroe Field! Please  
reconsider this again!

Sincerely,  
Members of an ice-skating club.
