

TO THE COMMON COUNCIL OF SAN DIEGO.

Gentlemen:-

We, the undersigned citizens and residents of the eastern part of San Diego, respectfully petition your honorable body to grant no saloon licenses on K Stl east of 7th., for the following reasons:

First, It is the declared policy of your body to keep the residence sections of the city free from saloons and the sale of intoxicating liquors.

Second, The Federated Clubs, composed of women, are maintaining the K St. park, for the good of the entire city, but especially the section in which it is located and where it is so much needed. The two saloons now in that immediate vicinity menace their work by causing unpleasant scenes and a feeling of insecurity that prevent women and children from coming a second time.

Third, Said saloons, being distant from the center of the city, are less under police control than others, which fact increases the feeling of insecurity on the part of visitors to the park, and those in charge.
