

**COUNCILMEMBER
LORIE ZAPF
COUNCIL DISTRICT TWO
MEMORANDUM**

DATE: September 1, 2015
TO: Scott Chadwick, Chief Operating Officer
FROM: Councilmember Lorie Zapf 
SUBJECT: Request for Relocation of DecoBike Stations in Pacific Beach

I respectfully request the relocation of DecoBike stations 92A and 104A currently located on the boardwalk in Pacific Beach. I share the concerns raised by District 2 community members about the impacts these locations have on local small businesses, safety, and boardwalk congestion.

I am committed to working with City staff and the community to identify viable alternative locations adjacent to the boardwalk that will continue to support the success of the program and provide tourists and residents alike with bike sharing options.

Thank you in advance for your prompt response and consideration of my request.

cc: John Ly, Director of Outreach, Office of the Mayor
