COUNCIL PRESIDENT PRO TEM SHERRI LIGHTNER  
CITY OF SAN DIEGO**

**M E M O R A N D U M**

**DATE:** December 20, 2012

**TO:** Honorable City Councilmembers

**FROM:** Council President Todd Gloria *Todd Gloria*

Council President Pro Tem Sherri Lightner *Sherri S. Lightner*

**SUBJECT:** State and Federal Legislative Priorities for Calendar Year 2013

---

Each year, the City Council compiles a list of state and federal legislative priorities. These requests are shared with our state and federal lobbyists, as well as the local legislative and congressional delegations, to help the City of San Diego fulfill its mission to build stronger neighborhoods and improve the economy.

In developing a state and federal legislative package for next year, we are interested in hearing your priorities. Please provide our offices, by the close of business on Friday, January 4, 2013, a memorandum outlining your top legislative priorities at the state and/or federal level, including potential statutory or regulatory changes you deem would have a positive citywide impact and attract a diverse level of stakeholder support.

We intend to bring a comprehensive legislative package to Council for adoption and approval as soon as possible.
