9/17/2020 22:04	Brittany Reano	9/23/2020	Appointment of the 2020 Redistricting Commission Members	I would like to nominate Rosemae V. Case for 2020 Redistricting Commission as she is a pillar in her local community and is determined to be inclusive of underrepresented populations in San Diego in which the city is long overdue for. San Diego's Redistricting Committee needs someone like Rosemae to help plan for a better, more inclusive and equitable future for all San Diegans
9/17/2020 23:48	Rachelle Panganiban	9/23/2020	Appointment of the 2020 Redistricting Commission Members	I support the appointment of Rosemae V Case to the Redistricting Commission for the City of San Diego. San Diego is a richly diverse multicultural city, and it's important to have a Redistricting Commission that is representative of San Diego's communities. With Rosemae V Case I know that San Diego will have a Redistricting Commission member that is committed to serving all communities and giving a voice to the underserved and underrepresented in San Diego to ensure that these communities are not disproportionately impacted by the redrawing of district boundaries. Please give every consideration to this highly committed applicant to the Redistricting Commission for the City of San Diego.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

I write in support of Mae Case, and urge others to support her, as well. She will serve all communities, including those traditionally underserved and underrepresented. She has no vested interest, other than to better our city and fairly serve the citizens of San Diego, ensuring the districts are drawn without the interference of politics or special interests.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

I wanted to voice my support for Kristen Roberts who is running in District 2. I have known Kristen on a personal and professional level for 7 years, during which I worked with her on various projects. Kristen is a driven, well-spoken, and educated mother who would be an asset to the redistricting commission. Kristen is quick on her feet, intelligent enough to educate herself on any topic she doesn't already have knowledge with, and very easy to work with. I highly recommend you select her for this commission.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

My name is Stacey Uy and I would like to personally recommend the appointment of Rosemae V Case. I know she will fight for ALL of us and ensure communities of color, especially Black, queer and immigrant communities will be considered and counted in drawing district boundaries.

Kristen Roberts would be an incredible asset to the commission. She is invested in San Diego and committed to helping it be the best it can. Her tenacity and work ethic are unmatched and her willingness to learn is a quality that you would greatly benefit from.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

I would like to submit my support for Monica Hernandez from District 8. She should be appointed to the Redistricting Committee because she is a life-long San Diego resident who understands the needs of our community and would serve with integrity and impartiality to ensure an equitable redistricting process for all San Deigns.

◆ Monica's background as a community organizer, social service provider and Census coordinator, has given her a strong working knowledge of the geography and neighborhoods in the City of San Diego.

As an LQBTQ+ Latina, Monica is keen to the understandings of intersectionality - the ways in which people can experience multiple forms of discrimination due to the interconnected nature of our social categorizations - and it is through this lens that she will be an asset to the committee's discussions and considerations on diversity, inclusion and equitable representation.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

Dear Redistricting Commission 2020,
My support for Candidate Mr. Stephen Lamprides

My recommendation / statement of support

I first met Steve Lamprides at a Webster Community meeting in 1982 where members of the CA Office of Environmental Protection Agency were presenting information about lead in the soil of the Webster School. Steve politely and succinctly "lowered the boom" on the presenters for presenting out dated data and conclusions. The audience was stunningly quiet. There have been other similar events wherein he has been a champion of the neighborhood/community.

Steve is an excellent researcher, community supporter, and has become the "go-to-guy" for any and all urgent community issues which includes his attendance at hearings on community issues before all public agencies, with minimum notice on many occasions. As first vice president, at this time, he has acted as the Webster Community Council President during the president's medical absence.

From what I know of him as a candidate for the subject commission, I am certain that he would be an asset to the Redistricting Commission of 2020.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

As a resident and property owner in D8, former Vice Chair of the Barrio Logan Community Planning Group and former Secretary of the Barrio Logan Association, I have full trust in Monica Delgadillo to carry out the duties required in a manner that is fair, diligent and impartial. Her presence would offer much needed and valued diversity and her knowledge of the various communities of San Diego would be an asset to all. I fully support her appointment to the 2020 Redistricting Commission. She would make a great Commissioner.

9/22/2020 9:56 Jay Levine 9/23/2020 Appointment of the 2020 Redistricting Commission Members Jim Varnadore of City Heights: applying for Redistricting Commission. I know Jim many years, and as a business owner in City Heights for decades, I have worked with him on numerous projects and multiple committees. Jim is a highly intelligent person who thinks problems through to the best possible solutions. He is not a grandstander and doesn't allow ego to taint his work. He is truly a man of the community and would be an ideal member of this commission. As someone who has lived in a challenged area of the city for many years, he brings a unique perspective to the issues and he works very well with others, to find solutions in a reasonable, congenial, and cooperative manner. I recommend him highly.

9/22/2020 10:34 Joshua Arriola 9/23/2020 Appointment of the 2020 Redistricting Commission Members I support the appointment of Rosamae V Case to the Redistricting Commission. It is important that the Redistricting Commission reflects the diversity of San Diego.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

Vincent DelPidio recently told me he had entered his application for an appointment to the City of San Diego Redistricting Commission. I was very happy to see Vince getting more involved in community service. Mr DelPidio is the kind of deep thinking, bright, honest, and straight forward person, we would all like to have as a friend, an employee or representative in government. As a former FBI Special Agent and director at four Fortune 100 , multinational corporations, I have had the opportunity to evaluate consultants and potential job candidates and see how they perform over time. Vince DelPidio would be an excellent addition to any team, looking for a fair, hard working and intelligent team member. Mr DelPidio's experience as a Marine Corps Officer, marketing/sales person and corporate executive, gives him a unique insight into large scale and complex projects required for the Redistricting Commission. If I were in your place, he would certainly be my pick as an addition to the Redistricting Commission.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

I am writing in support of Raquel Maden's candidacy for the City of San Diego's redistricting commission. Raquel has dedicated her life to ensuring there are equitable resources for the latinx community in the City of San Diego. Whether it was serving children in her community and fighting for them to have more education funding or helping the elderly access direct services, Raquel has always done things with integrity and heart. Raquel's passion for social justice has guided her work in everything that she does and I have no doubt that her unique experience in the community and collaborating with diverse stakeholders make her an excellent candidate to serve on the City of San Diego redistricting commission to ensure that communities across the board are best represented.

9/22/2020 13:32 Michael Inzunza

9/23/2020 Appointment of the 2020 Redistricting Commission Members

As a former San Diego County Commissioner appointed by Chairman Greg Cox, i would like to recommend that Raquel Maden by considered for appointment of the redistricting commission. Raquel is a civic-minded public servant who has served her community as a former school board member, has vast experience in local and state government and has continuously demonstrated a fair and impartial approach in serving the residents of San Diego. Mrs. Maden would also be an ideal choice in advocating for the most underrepresented neighborhoods as a voice of equity and transparency.

Statement in Support of Steve Lamprides as a Candidate for Redistricting Commissioner

Steve and I have attended all types of meetings and hearings on behalf of the Webster Community: San Diego City Planning Commission; San Diego City Council on the Police Department Garage; Community Development Block Grant Application Hearings; and San Diego Fire Department, Fairmont Fire Station pre-development design meetings. Steve has assisted with the filing of our 501 (c) 3 application for tax exempt status and several grants for the community's benefit. This man has almost boundless energy for our community and I am sure he would have the same for the redistricting commission. Margaretta Hickman, President: Webster Community Council, District 4

9/22/2020 15:30 Antonio Martinez

9/23/2020 Appointment of the 2020 Redistricting Commission Members

My name is Antonio Martinez, and I am proud to support Raquel Marquez Maden's appointment to the 2020 Redistricting Commission. As a life-long resident of San Ysidro, I know that South San Diego (perhaps because of its geographic separation) has historically been short-changed by the City of San Diego. Many decisions have been made without the knowledge and/or consent of our community. This appointment process is an opportunity to change that. By appointing Mrs. Marquez Maden, you will be giving our South San Diego communities a voice in the decision-making process and ensuring that the commission is comprised of a true and balanced representation of our City. Mrs. Marquez Maden is an experienced community leader, and she is the voice we need in the commission. I ask you to do the right thing in appointing Mrs. Marquez Maden.

9/22/2020 16:01 Francisco Castaneda

9/23/2020 Appointment of the 2020 Redistricting Commission Members

My name is Francisco Castañeda, a lifelong San Diego resident, born and raised in the South Bay. I am writing in support of Raquel Marquez Maden's appointment to the 2020 Redistricting Commission. Raquel is a proven leader in our communities, having served as an elected official and community representatives for South Bay neighborhoods. Historically, South Bay communities have been short changed and under represented in the City. Appointing Mrs. Marquez Maden will help change that trend, and give South San Diego a voice in the decision making process. Raquel Marquez Maden's appointment will help ensure the Commission is compromised of a balanced representation of the City. Mrs. Marquez Made is an experience community leader and she is the voice we need in the Commission.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

As part of a local church that I lead, I have known Raquel Maden for a couple of years now. My family and I have also done a bit of life side by side with their family as our kids have gone to the same school and church. As a brand new pastor in a brand new area Raquel and her family have taken my family by the hand and helped us get established in an area that they are well known and loved. I know few people as passionate about their community and the progression of it as Raquel. I have full confidence in her and know that she will do an excellent job serving as a Redistricting Commission Member.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

Hello, I'm writing to encourage you to appoint Rosemae V. Case as a 2020 Redistricting Commission Member. She is an incredibly strong advocate for underrepresented communities within San Diego, and I am confident that she will work hard to ensure that underserved people have fair representation in the redrawing of district boundaries. As the city of San Diego prides itself on its diversity, I hope that the Appointing Authority will recognize the importance of giving voice to our diverse groups by appointing members who can truly speak to their communities' needs. Thank you.

I would like to express my strong support for Raquel Marquez Maden, candidate for the 2020 Redistricting Commission. In the last 20+ years, Raquel has built an admirable career in public service both at the local and state levels. Raquel has all the attributes one would hope for in a leader, she is an intelligent, consensus builder guided by ethics. Raquel's knowledge and love of her community is beyond what I have seen. The underrepresented communities of San Diego deserve to have a commissioner with such passion and commitment. I hope that you can join me in supporting Raquel for this position.

9/22/2020 20:48 Cynthia K. Nagura	9/23/2020 Appointment of the 2020 Redistricting Commission Members	I give my full support for Ms. Raquel Maden. She is the ideal candidate for this role as she is an active community leader with extensive experience in community development. She has served as a dedicated school governing board member. In her current role as Public Affairs and Community Engagement Representative for the California School Board Association she impartially represents all 41 school districts in San Diego County and is therefore very familiar with all areas of the county. She is articulate, well-spoken, a collaborator and an ambassador to our community with a sincere commitment to serve others. I have witnessed her commitment to our community over the past years in her role as an executive leader of the San Ysidro Chamber of Commerce Educational Collaborative, for which I serve as Chairperson. It is an honor to express my support for her candidacy as a Redistricting Commission Member. Thank you.
9/22/2020 21:41 Janine Bryant	9/23/2020 Appointment of the 2020 Redistricting Commission Members	I am writing to support Raquel Marquez Maden for the Redistricting Commission. 9/23/2020 6:33 Richard Diaz

9/23/2020 Appointment of the 2020 Redistricting Commission Members

I support the appointment of Maria (Lupe) Lozano-Diaz to the 2020 Redistricting Commission. She bears no allegiance to politicians but rather to her clients and the community. She is a nationally certified nurse-midwife and internationally certified lactation consultant who has worked competently and successfully in underserved communities such as Logan Heights and Barrio Logan. In that line of work, impartial decision-making based on protocol, training, experience, and up-to-date research is just one skill she excels in and would bring to the Commission. That she is Hispanic and also a nearly 30-year resident of Oak Park (D4) gives her a unique perspective of the issues and needs in Oak Park and its neighboring communities.

For the past few years, Ms. Lozano-Diaz has volunteered as the secretary of the Oak Park Community Council and demonstrated an active commitment to the community.

9/23/2020 7:51 Livy Crim	9/23/2020 Appointment of the 2020 Redistricting Commission Members	As a resident of Linda Vista, I wholeheartedly endorse the appointment of Rosemae Case to the 2020 Redistricting Commission. Rosemae is a passionate and accomplished member of her community with a desire to participate in redistricting for the right reasons—to ensure fair and equal political representation in the city of San Diego and to contribute to the reformation of redistricting system that, nationally, routinely disenfranchises our most vulnerable and deserving neighbors.
9/23/2020 7:58 Anthony Volkar	9/23/2020 Appointment of the 2020 Redistricting Commission Members	I would like to provide a comment in support of the appointment of Dolores Vera to the Redistricting Commission. I have known Dolores for nearly 10 years. Growing up in Sacramento, she moved to San Diego three years ago and have strived to make an impact in the City of San Diego. For years, she has been involved with community activism. She voices concerns for communities who often struggle to voice their concerns. As a strong female Latina leader, she is dedicated and committed to efforts she gets involved in. For years, she volunteered with the California YMCA Youth & Government organization, which promotes civic activism among youth. Again, I urge you to appoint Dolores Vera to the Redistricting Commission. Thank you.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

I'm calling in to support Monica Delgadillo Hernandez in the selection for this commission. As a lifelong resident from District 8 and someone who is constantly involved in the needs of her community, Monica is a great candidate for this commission. Her recent work on Federal Census outreach and engagement shows her determination to make every voice heard and represented.

From what I've heard today, almost every candidate has mentioned that they want to help San Diego change for the better, and the only way we will be able to reach this goal is by prioritizing the selection of candidates who understand equity and the lack of representation within our city's government.

Thank you

9/23/2020 Appointment of the 2020
Redistricting Commission
Members

My name is Andrew Sturm. I am a resident of District 8 where I work in community development. I strongly urge the Redistricting Appointment Authority Members to select Monica Delgadillo Hernandez as a redistricting commissioner for District 8.

Monica is a life long resident of District 8. She has a deep knowledge and lived experience with San Ysidro, the South Bay and San Diego as a whole. Monica's education, training and work as a community organizer and advocate, helps her to listen and work with people that come from different backgrounds and have different ideas. She also has the patience to find consensus. I have personally learned so much from Monica about San Ysidro, and the many layers of social dynamics, and how those are tied to geography and identity.

Monica is currently working very hard as a lead for Census 2020 to make sure that everyone is counted and through that work she is learning even more about the community. I know that if chosen, she will carry that same spirit into the redistricting work to make sure that the new district boundaries are fair, just and work to benefit all of San Diego.

Monica obtained her degree from Berkeley University and came back home to San Diego to create progress. Community is core to her diverse professional career and experience that enhanced her connections throughout San Diego ranging from arts and culture, direct case management serving San Diegans, research efforts with Family Health Centers and UCSD, and now as Social Impact Director for Casa Familiar. Monica values civic leadership and will continue to serve her community well as Redistricting Commissioner. As a representative of Casa Familiar, we support the appointment of Monica Delgadillo Hernandez, and would also like to express our support for Enrique Lugo.

Please appoint Jim Varnadore to the Commission. His unofficial title is Mayor of City Heights, for his many years of volunteer work in a community where 55 languages are spoken. He also has extensive city wide knowledge having served for decades on the CPC, the Community Planners Committee. We need someone like Jim on the Commission who works with all groups equally.

I would like to state my support of the candidate Monica Delgadillo Hernandez for the 2020 Redistricting Commission. Monica is committed to the city of San Diego as a life long resident. She is committed to equity, diversity and inclusion, which has been central to her life's work in local non-profits. She is passionate about equitable representation for all residents. As a woman of Mexican heritage she would bring diversity to the Commission. She is knowledgeable in San Diego geography and mapping. She has overseen large-scale Census outreach operations targeting under-represented communities, specifically within District 8. She checks all the boxes for someone who we would want to bring equitable, diverse, and inclusive representation to all residents and communities on our Redistricting Commission.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

My name is Denise Padilla and I live in District 9. And I have known Marie G.Lozano -Diaz (Lupe Diaz) for the past 2 years. We have participated in grass root activities to address the quality of life issues, homelessness, and neighborhood safety in Districts 4 and 9. In particular with THSF, The Homeless Storage Facility on Lea St., which affected the community and challenged us. It was a very educational and enlightening experience. I feel that Marie would be an asset not only because of her background and understanding of the diversities of her communities but also as a Registered Nurse for the last 29 years working in underserved communities not only locally but also internationally brings a wealth of information on health disparities to the community. Thank you for taking her into consideration. You would be very fortunate to have her.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

In viewing of the candidates, I feel my community identifies gteatest with Rosemae V. Case. For me, she has immigrant parents, her father served our country, and there needs to be more strong female voices. Her association with PATH is highly beneficial because of her knowledge with the impoverished community and assisting in providing affordable housing, which is difficult in San Diego. It is in my belief that Rosemae V. Case would be a valuable asset to this position for the Redistricting Commission for the city of San Diego.

I had the opportunity to work with David Dick when I was the CEO of USO San Diego. David was on the USO board and executive committee. Our local organization went through a number of major systemic changes during that time, including a merger with the global USO organization. Mr. Dick's service was invaluable, as he guided our board, and me, through uncharted territory in a balanced, clear and impartial way.
I was so pleased to learn about his 2020 City of San Diego Redistricting Commission application. Redistricting is extremely important to get right for our City. David's talent, passion, diplomacy and sincere civic concern are precisely the leadership traits needed for this role. The City would be fortunate to have David Dick serve on this important commission.

9/23/2020 Appointment of the 2020 Redistricting Commission Members

I write to you today to express my enthusiastic support for appointing Monica Delgadillo of San Ysidro, CA to be the District 8 representative on the 2020 San Diego Redistricting Commission. I first met her at UC Berkeley almost 20 years ago and have witnessed the work she has done since that time. Her deep knowledge of San Diego, including and particularly of the underrepresented South Bay areas, and her lifelong history in the community will be an invaluable asset to the commission's deliberations. Since I met her she has been a consistent and committed advocate for San Diego's residents, attuned to California politics and demographics, and cognizant of the global implications of the decisions that are made in this city. Monica is an excellent colleague who I know will make important contributions to the commission on behalf of District 8 and for these reasons I wholeheartedly recommend that she be appointed. Please feel free to contact me if you would like any further information.

I would like to give my Vite to Mrs. Raquel Marquez Maden. I have known her for a long time. I have been the preschool teacher for her both sons. As a mother she was always committed to help their children and was the PAC (parents association), she supported is teachers in the classroom. Outside the classroom she was involved with the school District and she was always looking after us. She was always looking the ways that we as teacher had what we needed in our school. She worked with the school border members as far as I know she was part of the board at one point. She is a very dedicated mother and hard working person . She is going to be the best for the position.
