Mr. George Aguilar
Cla-Val Company
1701 Placentia Ave
Costa Mesa, CA 92627

Dear Mr. Aguilar:

Subject: Approval of CLA-VAL Series 33A HP Combination Air Release & Vacuum Breaker Valve

This is in reference to your application in which you requested the City of San Diego (City) to evaluate the CLA-VAL Series 33A HP Combination Air Release & Vacuum Breaker Valve for approval and addition to the City's Water Approved Materials List.

The City has completed the evaluation and determined that adequate product information has been presented to approve the CLA-VAL Series 33A HP Combination Air Release & Vacuum Breaker Valve.

This product will be included in the next Water Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of CLA-VAL Series 33A HP Combination Air Release & Vacuum Breaker Valve is contingent on the following conditions:

- 1) The CLA-VAL Series 33A HP Combination Air Release & Vacuum Breaker Valve product shall be manufactured at 1701 Placentia Ave. Costa Mesa, CA 92627.
- 2) CLA-VAL Company shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.
- 3) CLA-VAL Company shall provide application/installation procedures for the products to ensure they meet the current Standard Specifications for Public Works Construction (Greenbook) and the current City's Whitebook. The installer shall meet the specification conditions required for the proper installation of the product as specified by Baker Coupling Company Inc. or any of Baker Coupling Company Inc.'s authorized suppliers.

- 4) Any unilateral action by CLA-VAL Company without seeking prior consultation and agreement from the City regarding the above-mentioned conditions and limitations shall constitute a breach of agreement, resulting in the removal of CLA-VAL Company's products from the City's Approved Materials List.

Congratulations on your success in being included on the City's Water Approved Materials List.

Sincerely,

Anh Nguyen, P.E.
Senior Civil Engineer
