

# DISTRICT 6 DISPATCH

CITY OF SAN DIEGO APRIL 2016

CHRIS CATE

## A CLASSROOM FOR THE FUTURE

On Friday, March 4<sup>th</sup>, I toured Qualcomm's Thinkabit Lab™. Headquartered in District 6, Qualcomm® Thinkabit Lab™ is the combination of a lab, makerspace, and classroom for 6th-8th grade students from all cultural and socioeconomic backgrounds. ## CRIME PREVENTION

On Thursday, March 10<sup>th</sup>, I attended Westmore Circle's inaugural Neighborhood Watch meeting in Mira Mesa. Neighborhood Watch programs are one of the most effective crime prevention programs in the nation. This year, our goal is to recruit 20 block captains in Mira Mesa.

## MOVIES UNDER THE STARS

On Friday, March 4<sup>th</sup>, I kicked-off Clairemont's inaugural Movie Nights Under the Stars at Alcott Elementary with long-time Clairemont resident and Movie Nights Under the Stars founder, Ernie Navarro. The showing of "The Lorax" was the first of many free movies which is part of the Movie Nights Under the Stars Spring Series. The kick-off event drew hundreds of families from one of San Diego's oldest neighborhoods, Clairemont. All proceeds from concession sales and sponsorships benefit local schools in Clairemont. <http://twitdoc.com/5FFE>

## TRAIL RESTORATION

On Sunday, March 20<sup>th</sup>, D6 staff and community volunteers came out to help repair and restore the Los Peñasquitos Canyon Preserve Trail. The Los Peñasquitos Canyon Preserve encompasses 4,000 acres of both Peñasquitos and Lopez Canyons. With one-third of Rancho Peñasquitos being open space, the community has become a prime location for outdoor recreation. The Preserve gives people of all ages and abilities the opportunity to explore San Diego's rich biodiversity.

## PROMOTING MILITARY ENTREPRENEURS

On Friday, March 25<sup>th</sup>, D6 staff and I had the opportunity to tour The Rosie Network which helps military spouses and veterans start their own new business. We are so happy The Rosie Network calls District 6 its home.
