

# LIFEGUARDS WANTED!

## BECOME A LEADER

Acquiring the certifications necessary to become a pool lifeguard can be challenging, but it is also very rewarding. Becoming a pool lifeguard requires teamwork, problem solving skills and the ability to communicate effectively with others. Lifeguards are community leaders. They keep swimmers safe and educate the public for how to be safe in and around water. If you have a desire to make a meaningful impact on your community, then becoming a lifeguard is the job for you!

## LIFEGUARD TRAINING

If you are 15 years of age or older and would like to learn important skills that can be used to best serve your community, then taking a class to become an American Red Cross Lifeguard is a great place to start. Lifeguarding requires you to communicate and work with a team while helping people enjoy the water in a safe environment. You may even save a life!

Videos, group discussion, demonstrations and hands-on practice will incorporate:

- Rescue techniques for land and water
- First Aid training to provide care for injuries and illnesses
- Professional lifeguard responsibilities
- Surveillance skills to help you recognize and prevent injuries

*\*Prerequisite swimming skills required.*

## AVAILABLE CLASSES

Classes are added throughout the year! If you are interested in learning about up-coming classes, want to be put on the interest list, or have questions, please contact Rae Weber, **619-641-6106**

## WATER SAFETY INSTRUCTOR
