HYBRID HEARING**

Until further notice, the Archaeological and Tribal Cultural Resources Subcommittee meetings will be conducted pursuant to the provisions of California Government Code section 54953(a), as amended by Assembly Bill 2249. In lieu of in-person attendance, members of the public may participate virtually. The public is encouraged to [subscribe](#) to receive meeting agendas.

The Archaeological and Tribal Cultural Resources Subcommittee is a subcommittee of the City of San Diego's Historical Resources Board. It is primarily composed of Historical Resources Board members who have expertise or are interested in pre-contact and historic archeology and cultural landscapes. The Subcommittee is not a voting entity, but rather a forum for discussing issues and solutions related to historic resources and their preservation. Comments at the meeting do not predispose future positions on any matter or project by the Historical Resources Board.

Members of the public will be allowed an opportunity to speak, for up to one minute each, at the end of the Subcommittee's discussion on an agenda item. Each member of the public is required to state their name and the organization (if any) that they represent prior to their one minute presentation.
