  - O Proposed Height 29'-5" at top of chimney tees are very keen to know that the neighbors in the immediate vicinity have been noticed and the

The Trustees are very keen to know that the neighbors in the immediate vicinity have been noticed and their views noted. Community conformity, setbacks, FAR, parking, view corridors, bulk& scale, and articulation are key discussion points on all projects.

• Both homes on Paseo Del Ocaso that surround the project are both two stories in height and the average of the area is 50% are currently two stories. We feet the articulation of the building and style will compatible with the current and future community character of La Jolla Shores. We have contact our immediate neighbors whom we have shown the plans.
