Exhibits and other project-related presentation materials (e.g. site plan, elevations, exhibits showing addition/remodel areas, etc.) although not required, are extremely helpful in informing the Advisory Board's review and understanding of a project. The following exhibits and materials are recommended and if provided by the applicant, will be attached to the agenda and posted to the City's website: <https://www.sandiego.gov/planning/community/profiles/lajolla/pddoab> for view by the public:

Meeting Presentation – updated 8/31/20

Due to COVID-19, the La Jolla Shores Planned District Advisory Group meetings will be conducted as online virtual meetings utilizing the Zoom application. Staff will provide all applicants, as well as the public instructions for logging in and participating in the meeting.

For the meeting, the applicant should provide a concise powerpoint presentation on their project or simply present the exhibits provided for the agenda distribution as their presentation. During the meeting, staff will allow the applicant to become the presenter, so that they may share their screen and run their presentation.

PLEASE DO NOT PROVIDE THE FOLLOWING:

- The complete plan set of the project. Complete plan sets take up a lot of memory to distribute and most of the information is not necessary for the Advisory Board's review.
- Plans or exhibits of the interior of the project. Interiors are not reviewed by the Advisory Board.
- Personal contact information of the property owners of the project should not be included, unless they are the "owner/applicant" and they are the designated point of contact

The Advisory Board members are very keen to know that the neighbors in the immediate vicinity have been noticed and their views noted. Community conformity, setbacks, FAR, parking, view corridors, bulk & scale, and articulation are key discussion points on all projects. Action Items will be heard first.

Thank you,

Please return the information requested to no later than a week before the scheduled meeting date:
