CALLING ALL SAN DIEGANS!

How would you spend \$135 million in your community over the next five years? Join us for this virtual community forum and share your insights!

Every five years, the City creates a document called the “Consolidated Plan” to identify community needs and priorities. We need your help determining how best to spend federal funds to invest in San Diego communities.

Together, we can prioritize key areas such as affordable housing, sustainability, shelters, job opportunities, and infrastructure.
