The City of SAN DIEGO

Approved Tester's List

This list contains names of companies whose associates have been certified as backflow testers by the American Water Works Association (AWWA), American Backflow Prevention Association (ABPA), and American Society of Sanitary Engineers (ASSE). The City of San Diego makes no representation concerning any other qualifications for these testers. This list is provided for information only and is not intended as either advertisement or a warranty expressed or implied.

This list is updated twice a year, if you would like to verify that a tester is approved to test within the City of San Diego's jurisdiction please contact our office at (858) 292-6329.
