13. Describe unique event feature not covered above? This is the first year we are planning to have a beer garden. After this year we will decide if we want to continue having it in the future. The beer garden is included because the club wants to celebrate the life of Tom Bache III who was both

a passionate competitor and someone who liked to go out and celebrate with everyone afterwards at bars. We wanted to make it a part of the first race that was named in his honor but due to the pandemic is was not feasible. Many friends and family members that used to run more often will be coming to this specific race to remember Tom. This new addition of the beer garden should be more convenient for those people and we believe will be popular with the running community.
