

Sustainability & Mobility Department  
**Item 501: Balboa Park Bicycle &  
Shared Mobility Parking  
Expansion Locations**

January 5, 2023

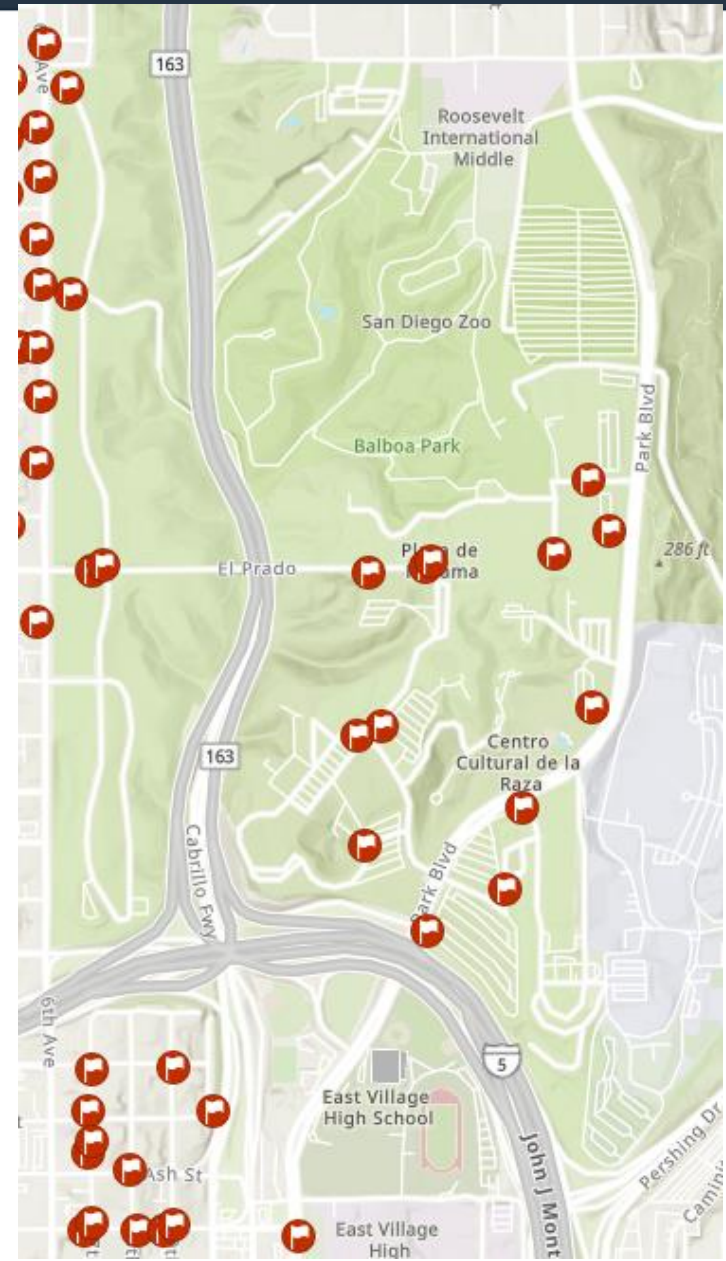

# Existing Bicycle Parking

- 20 bike parking locations are currently within Balboa Park
- Additional locations needed to meet demand and to compliment the newly proposed bike facilities

# Existing Shared Mobility Parking

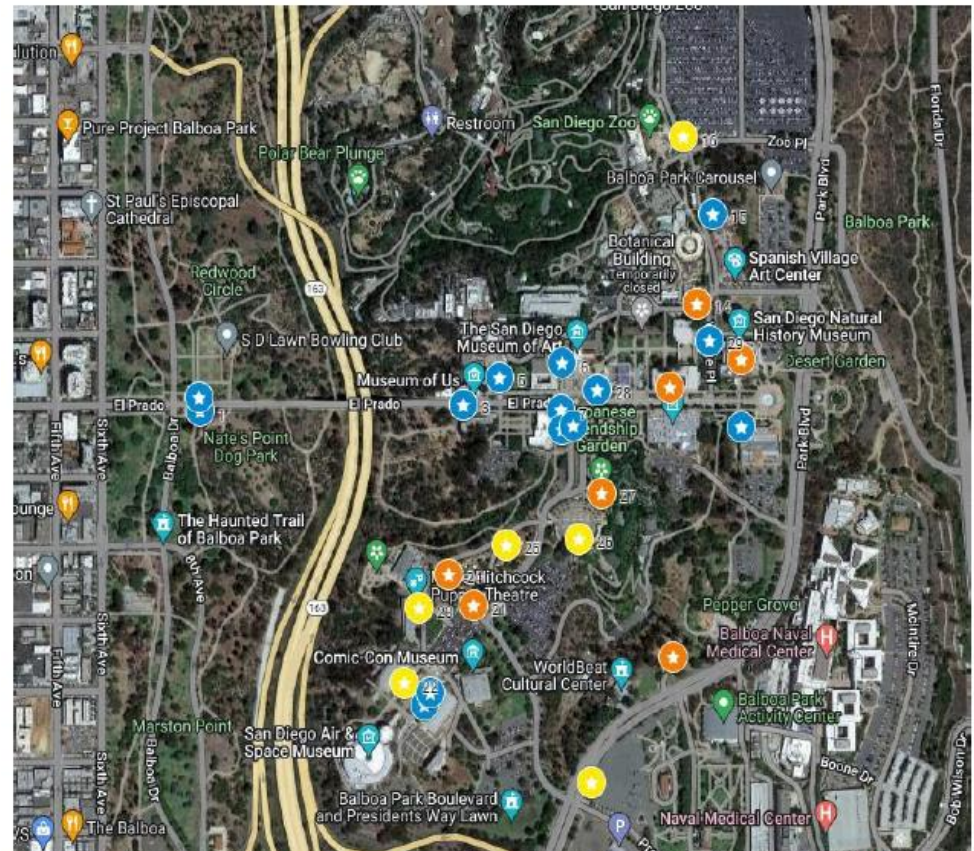

- There are 18 scooter corral locations within Balboa Park today.
- In 2021, over 220,000 shared mobility trips were Originated or Ended within Balboa Park
- Benefits:
  - Increase access to public transportation
  - Reduce the number of cars on the road and demand for parking
  - Provide affordable, convenient method of transportation for short trips
- More shared mobility & bike facilities = more access to Balboa Park

# Candidate Locations

- 28 New Candidate locations
  - 14 Combination of Scooter (Shared Mobility) and Bike Rack
  - 6 Bike Rack only
  - 8 Scooter (Shared Mobility) only
- Map and file provided in November with locations for committee review (Photos included)
- Replacing a few existing bike racks and shared mobility corrals
