13. Describe unique event feature not covered above? This year we would like to hold a two-mile walk event to raise funds for the fight against breast cancer. Which is much shorter than in years past. This will enable the event to be over before the Park opens at 10:00 am. We would also like to have our tent area relocated to the corner of Park Blvd and President's Way. This will enable our participants to park in the Inspiration Point Parking Lot (as in years past) and walk across the street. They will not have to be shuttled over to our tent area on the other side of the Park. We cannot have our participants on shuttle buses at this time.
