1. After opening this file, immediately do a "SAVE AS." Save it as the park name you are adding items to, e.g Mirra Mesa CP, Gompers NP, Mission Trails.
2. Please use only one sheet/file per park. This makes it much easier for me to merge the new additions into the master file. DO NOT have multiple parks on one sheet/file.
3. Please DO NOT change any formatting. I use these files to cut and paste into the master file and changing formatting in this file could mess that up.
4. Add as much information as you can. Please be descriptive and as specific as you can. This may need to be interpreted by someone else in 10 years.
5. Please see the PDF for your area as an example of information to fill in. If you don't have the info we will figure it out...somehow.

EXAMPLE:									
Hilltop Community Park	5	Rancho Penasquitos	Demolish old recreation building and reconstruct new rec center.	Yes	No	F	2021	CRG	Old building does not meet needs of the community.
