IMPORTANT INFORMATION REGARDING LESSON REGISTRATION

Please read before you register for any swim lessons.

All pools will have new requirements for swim lesson registration. **Prior to registering**, all returning participants will need to confirm with pool staff to ensure the correct prerequisite skills are listed on their [SDRecConnect](#) account. Otherwise Activenet will not allow you to register for any upper level lessons.

If this is the first time registering for lessons with the City of San Diego you will need to contact pool staff to schedule a participant assessment and help create an [SDRecConnect](#) account.

Participants must be evaluated by staff prior to registration.

ADAPTIVE AQUATICS

Our goal is to teach confidence and water safety skill to each participant within a positive, happy and safe environment. We are here to provide instructional classes designed for individuals with disabilities, ages four and older, by teaching each student based on their abilities; and when possible, transition participants into regularly scheduled group lessons. As part of the transition process, the aquatics department also offers inclusion support for those who are able to participate in the regular scheduled group lessons. **Please contact the following pools for more information.**

KEEPING THE POOLS CLEAN & OPEN

- Please take a thorough shower before entering the water.
- When the pool is contaminated with fecal matter, the pool must close.
- Take your children on restroom breaks and check diapers often. Waiting to hear "I have to go" may mean that it's too late.
- An appropriate swimsuit is required at all times. Swim diapers are required for children under 4 years old regardless of toilet training.
- Change swim diapers in the restroom or a diaper changing area; **not in the pool area**. Germs can be spread in and around the pool.
- After using the restroom, thoroughly cleanse (especially the diaper area) with soap and water before swimming. Invisible amounts of fecal matter can be spread into the pool.
- Patrons are not permitted to swim in the pool if they are suffering from an illness that causes diarrhea or have had diarrhea in the past two weeks. You can spread germs in the water and make other people sick.
