Independent Contractors vs.

Permit Holders

The City of San Diego Parks and Recreation department offers a variety of programs for the youth which are provided through the means of three different sources; in-house programs (run by city staff), contractual programs, and rental programs. Contractual programs consist of independent contractors that have been approved by the City of San Diego as a sponsored program. Rental programs are commercial companies that rent out the facility to offer their programs and activities for the community. Please see below for specified requirements:

Requirements for Independent Contractors*

All contractors, subcontractors and volunteers are fingerprinted through the City of San Diego Live Scan process.

- ◆ Contractors provide Worker's Compensation coverage for all employees.
- ◆ All Contractors have a business license and carry insurance.
- ◆ City staff handles all registration for the program.

Requirements for Permit Holders/Rental Programs***

- ◆ Must provide proof of insurance plus endorsement page(s)
- ◆ Must provide own advertisement for program
