DISTRICT 2 ROAD REPAIRS

Road repairs in District 2 started last week, on September 20, 2023. Residents will notice a new slurry seal on nearly 25 streets in Clairemont, Bay Ho, and Point Loma. The slurry will extend the life of streets and make roads safer. The latest slurry project is expected to be completed, weather permitting, over the next three weeks. To find out which roads will be repaired, please follow the link: [D2 ROAD REPAIRS](#)

WATER RATE INCREASE

My council colleagues and I approved a water rate increase to continue to provide safe, reliable drinking water to San Diegans. The rate increase is due to the increased amount the City of San Diego's Public Utilities Department (PUD) must pay the San Diego Water Authority (SDWA). SDWA's prices have gone up due to the increasing cost of imported water, and those costs are passed down to us. Due to COVID-19 and inflation in the past three years, the PUD held off increasing rates to our customers, and now we must pay. This is why we have the Pure Water SD Projects, so we can get at least half of our water locally in the future. Putting off the raise would mean stopping repairs and stopping the replacement of our old infrastructure for drinking water. For more information, follow the link: [PUD](#)

CLAIREMONT DRIVE ROAD CONSTRUCTION

Watch out for road construction along Clairemont Drive, between Iroquois Avenue and Blackfoot Avenue. The construction is part of the City of San Diego's Pure Water Phase 1 project. For more information about Pure Water SD and construction alerts, follow the link: [ROAD](#)

OB PIER PLAN DESIGN CONCEPTS

The Squint Test

The Remora

The Braid

The image displays three design concepts for the OB Pier replacement, each shown as a 3D perspective rendering of the pier structure extending into the ocean. The first concept, 'The Squint Test', features a long pier with a curved end and a small island. The second, 'The Remora', has a long pier with a curved end and a small island. The third, 'The Braid', has a long pier with a curved end and a small island. Each concept includes various features and labels such as 'fish stock', 'the island', 'safety plaza', 'the overlook', 'community point', 'the terrace', 'surf rider theatre', 'fishing terrace', 'plaza on the ocean', and 'the horizon walk'.

There are three OB Pier replacement design concepts, and the City of San Diego wants to know what you think is the best design. Your input will help the city and the OB Pier Taskforce select the preferred design. The final plan will be unveiled in early 2024. At our September Community and Neighborhood Services Committee, the Chair of the San Diego Parks Foundation, Mr. Michel Anderson, presented interesting information on our local parks. Their mission is to improve the quality of life of communities through equitable investments in parks, green spaces, and outdoor recreational activities with particular emphasis on neighborhood and community parks. The Parks Foundation is comprised of volunteers who help the City's more than 600 parks. Here's the link to learn more: [SD PARKS FOUNDATION](#)

39TH ANNUAL COASTAL CLEAN UP DAY

My staff attended the 39th Annual Coastal Clean Up Day in Fiesta Island this weekend, Saturday, September 23, 2023. The Annual Clean Up is a county-wide event where volunteers help remove debris to prevent it

from going into our waterways, beaches, and oceans. It's organizations like I Love A Clean San Diego and many others who coordinate more than 100 locations for volunteers to participate. As a member of the City Council's Environment Committee, I want to make sure we do everything we can to protect the environment for future generations.

SAN DIEGO HOLOCAUST EXHIBIT

The RUTH (Remember Us The Holocaust) exhibit at the Rancho San Diego Library focuses on San Diegan's Holocaust stories. My staff and I toured the exhibit on Friday, September 22, 2023. Sandy Scheller is the Curator and the daughter of Ruth Sax, a Holocaust Survivor. Scheller is passionate about sharing the Holocaust survivors' stories, so they are never forgotten. OB PIER PANCAKE BREAKFAST

The 25th Annual OB Pancake Breakfast was a fabulous event, especially when proceeds from the event went to fund the OB Food and Toy Drive. This supports about 100 families and seniors in need during the holiday season.

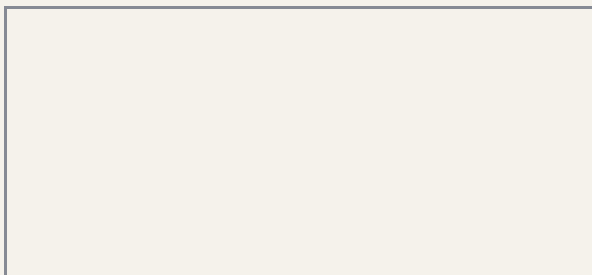

CLAIREMONT FAMILY DAY

Photos: At the Clairemont Family Family Day.

Every year, residents come together to enjoy the Clairemont Family Day. Mayor Todd Gloria, Assemblymember Chris Ward, and I joined residents at the South Clairemont Park on Saturday, September 9, 2023. There were so many fun activities, excellent food, displays, and informational booths. I want to thank my staff, local businesses, the Clairemont Family Day committee, volunteers, and city staff for participating and coordinating such an excellent community event. A special thank you to my staff member, Carrie Munson, who helped coordinate the event.
