Question:

I'm a journalist for Dailymail.com. I wondered if we could get the same statement that the Post has here: [Ray Buffer charged with theft after allegedly stealing comics \(nypost.com\)](https://nypost.com/2023/02/23/ray-buffer-charged-with-theft-after-allegedly-stealing-comics/)

Response:

The San Diego City Attorney's Office is prosecuting Raymond Ernest Buffer Jr. He has been charged with one count of PC 484, petty theft -- a misdemeanor. He pleaded not guilty at his arraignment on Jan. 18. Mr. Buffer is scheduled for a readiness conference in San Diego Superior Court on Tuesday, Feb. 28.
