**“I’m handing you a life preserver’: Judge orders San Diego to refile suits against Ash Street broker Jason Hughes”**

Dec. 20, 2022

**Question:**

Can you provide me a response to the decision from Judge Taylor on Friday related to the Hughes lawsuits?

**Response:**

The City will amend and refile its complaint consistent with the court's direction. Friday's ruling does not prevent the City from obtaining a trial at which Mr. Hughes can be held accountable for his actions.
