ABOUT THE CARES GRANT INITIATIVE:

In response to the onslaught of COVID-19 and its disproportionate impact on communities of color, onetime emergency general operating support is available to arts and culture organizations serving BIPOC communities. Preference will be given to eligible organizations that intentionally serve Black, Indigenous, and People of Color (BIPOC) communities and didn't receive support through the City's fiscal year 2021 Organization Support. Application Timeline: October 12, 2020 – November 13, 2020.

*CGI is a one-time special grant initiative in response to the impact of the COVID-19 pandemic funded by Federal Coronavirus Aid, Relief, and Economic Security (CARES) Act money awarded to the California Arts Council (CAC) through the National Endowment for the Arts, a federal agency, and allocated to their State-Local Partners, including the City of San Diego Commission for Arts and Culture.
