Section 1. The official name of this organization is the Carmel Valley Community Planning Board.

Section 2. All activities of this organization shall be conducted in its official name.

Section 3. The community planning area boundaries are those of the Carmel Valley Community Plan. However, the City Council has approved an amendment to the Community Planning Group's area of responsibility to include Pacific Highlands Ranch, Fairbanks Country Club, Via de la Valle and North City Subarea 2 Planning Areas for the purpose of: (1). Providing the City with an organized review of development projects from these adjacent communities; and, (2). Providing those areas with planning information and a planning voice. See Exhibit

Section 4. Meetings of the Carmel Valley Community Planning Board shall be held within the boundary of the Carmel Valley Community Plan except when the Carmel Valley Community Planning Board does not have a meeting facility within its boundary that is accessible to all members of the public, they may meet at the closest meeting facility.

Section 5. The official positions and opinions of the Carmel Valley Community Planning Board shall not be established or determined by any organization other than the planning group, nor by any individual member of the planning group other than one authorized to do so by the planning group.

ARTICLE II Purpose of Community Planning Group and General Provisions

Section 1. The Carmel Valley Community Planning Board has been formed and recognized by the City Council to make recommendations to the City Council, Planning Commission, City staff, and other governmental agencies on land use matters, specifically concerning the preparation of, adoption of, implementation of, or amendment to, the General Plan or a land use plan when a plan relates to the Carmel Valley, Pacific Highlands Ranch, Fairbanks Country Club, Via de la Valle and North City Subarea 2 communities' boundaries. The planning group also advises on other land use matters as requested by the City or other governmental agency as detailed in Council Policy 600-24, Article II: Purpose of Community Planning Groups and General Provisions.

- Section 2. In reviewing individual development projects, the Carmel Valley Community Planning Board should focus such review on conformance with the Land Development Code, and the adopted community plan and/or the General Plan. Preliminary comments on projects may be submitted to the City during the project review process. Whenever possible, the formal planning group recommendation should be submitted no later than the end of the public review period offered by the environmental review process. Upon receipt of plans for projects with substantive revisions, the planning group may choose to rehear the project and may choose to provide a subsequent formal recommendation to the City.
- Section 3. All activities of the Carmel Valley Community Planning Board shall be nonpartisan and nonsectarian and shall not discriminate against any person or persons by reason of race, color, sex, age, creed or national origin, or sexual orientation, or physical or mental disability. In addition, meeting facilities must be accessible to disabled persons.
- Section 4. The Carmel Valley Community Planning Board shall not take part in, officially or unofficially, or lend its influence in, the election of any candidate for political office. Such a determination resulting in the forfeiture of rights to represent the community for these purposes shall be made only by the City Council upon the recommendation of the Mayor's Office.

Brown Act, which requires that meetings of the planning group are open and accessible to the public. In addition, Council Policy 600-24 "Standard Operating Procedures and Responsibilities of Recognized Community Planning Groups" and these bylaws govern the operations of the planning group. Several provisions of these bylaws constitute Brown Act requirements as outlined in the Policy. Amendments to Council Policy 600-24 will apply to the Carmel Valley Community Planning Board, as well as to all other community planning groups, even if individual groups' bylaws are not required to be amended with parallel language.

### ARTICLE III Community Planning Group

Section 1. The Carmel Valley Community Planning Board shall consist of 13 elected and appointed members to represent the community. These members of the planning group shall constitute the officially recognized community planning group for the purpose of these bylaws and Council Policy 600-24.

Section 2. Council Policy 600-24 requires that elected members of the Carmel Valley Community Planning Board shall, to the extent possible, be representative of the various geographic sections of the community and diversified community interests.

Carmel Valley Community Planning Board representation is as follows: 2 seats for property owners in either Carmel Valley or Pacific Highlands Ranch; 6 seats for residents in Carmel Valley elected by District; 2 seats for residents in Pacific Highlands Ranch; 1 seat for residents and businesses of the combined areas of Fairbanks Country Club, Via de la Valle and North City Subarea 2, 1 seat for a business representative of either Carmel Valley or The Village at Pacific Highlands Ranch's retail commercial area, and 1 seat appointed by the Chair for the Major Developer. (See Exhibit A for District representation) (See note at end of document for district conversion process from previous bylaws)

Planning group members shall be elected by and from eligible members of the community. To be an eligible community member an individual must be at least 18 years of age, and shall be affiliated with the community as a:

operator, or designee at a non-residential real property address in the community planning area; only one representative of a particular establishment may hold a seat on the community planning group at one time.

(4) The Major Developer seat is an appointed seat. The Chair makes the appointment to the developer with the largest undeveloped land holdings in the Community Planning Area. The appointed seat is counted in the planning group membership and votes on planning group business.

An individual may become an eligible member of the community by: (A.) attending two (2) meetings of the Carmel Valley Community Planning Board and submitting an application and documented meeting attendance prior to the March general election; and (B.) demonstrating qualifications contained in (1), (2) or (3) above to be an eligible member of the community to the planning group Secretary or Election Committee prior to the March election or at the time of voting.

Once eligibility to vote is established, an individual remains an eligible member of the community until a determination is made that the individual does not meet the planning group's criteria and formal action is taken by the planning group. However, the Carmel Valley Community Planning Board shall require proof of eligibility during elections.

The same process will remove an appointed member as elected members in accordance with Article IX of these bylaws and Council Policy 600-24.

Section 3. Members of the Carmel Valley Community Planning Board shall be elected to serve for fixed terms of 2 years with expiration dates during alternate years to provide continuity.

No person may serve on the planning group for more than eight (8) consecutive years.

The eight (8) year limit refers to total maximum consecutive years of service time, not to individual seats held.

After a one-year break in service as a planning group member, an individual who had served for eight (8) consecutive years shall again be eligible for election to the planning group.

The planning group will actively seek new members to the extent feasible. If not enough new members are found to fill all vacant seats the planning group may retain some members who have already served for eight (8) consecutive years to continue on the planning group without a break in service. Refer to Council Policy 600-24 Article III, Section 4 for further clarification.

Section 4. A member of the Carmel Valley Community Planning Board must retain eligibility during the entire term of service.

Section 5. A member of the Carmel Valley Community Planning Board found to be out of compliance with the provisions of Council Policy 600-24 or the planning groups adopted bylaws risks loss of defense and indemnification [legal protection and representation] pursuant to Ordinance No. 0-19883 NS, and any future amendments thereto.

Section 6. Some provisions of these bylaws constitute requirements under the Brown Act, as outlined in Council Policy 600-24. A member of the Carmel Valley Community Planning Board who participates in a meeting of the planning group where actions are alleged to have been in violation of the Brown Act may be subject to civil or criminal consequences.

#### ARTICLE IV Y.acaugies

Section 1. The Carmel Valley Community Planning Board shall find that a vacancy exists upon receipt of a resignation in writing from one of its members or upon receipt of a written report from the planning group's secretary reporting the third consecutive absence or fourth absence in the 12-month period of April through March each year, of a member(s) from the planning groups regular meetings.

A vacancy may also exist following a vote of a community planning group as described in Article III, Section 5 of Council Policy 600-24 related to ineligibility, or following conclusion of a member-removal process conducted under Article IX of the Policy, or due to adopted bylaws violations.

Section 2. Vacancies that may occur on the Carmel Valley Community Planning Board should be filled not later than 120 days following the date of the determination of the vacancy. The term of office of any member filling a vacancy shall be for the balance of the vacated term.

The Carmel Valley Community Planning Board shall fill vacancies at the time the vacancies are declared within 90 days, A single vacancy may be filled from a field of qualified applicants by the Chair and confirmed by vote by the planning group members at the time the vacancies are declared within 90 days.

Two or more concurrent community planning group vacancies shall be filled by a vote of all eligible members of the community by secret written ballot.

Section 3. When the Carmel Valley Community Planning Board is unable to fill a vacancy within 120 days, as specified above, and the planning group has more than twelve members, a search for a new member should continue, however either the seat may remain vacant until the next planning group election, or the seat may be filled as provided by Section 4 below, or these bylaws may be amended to permit decreased membership to a minimum of 12 members.

If a vacancy remains for more than 60 days from the time a vacancy is declared, and there are less than 12 elected planning group members in good standing, the planning group shall report in writing the efforts made to fill the vacancy to the City. If, after 60 additional days, the planning group membership has not reached 12 members, the planning group will be deemed inactive until it has attained at least 12 members in good standing.

Section 4. If the Carmel Valley Community Planning Board is unable to fill a vacancy with a qualified applicant after various efforts have been taken to fill the vacant seat with community members within that specific seat's community or District boundaries, then the vacancy may be filled by the Chair from qualified applicants within the overall boundary of the Carmel Valley Community Planning Board (refer to Exhibit A, Boundary Map) and confirmed by a vote by the planning group members. In such event, preference will be given to qualified applicants from a voting district adjacent to the vacant seat. However, no more than two planning group members from any one voting district can be appointed to the Board at any given time.

#### ARTICLE V Elections

Section 1. General elections of Carmel Valley Community Planning Board members shall be held during the month of March in accordance with the Carmel Valley Community Planning Board's adopted elections procedures.

The Carmel Valley Community Planning Board's general elections shall be held annually,

The deadline to qualify for candidacy in the March general election shall be prior to the February noticed regular or special meeting of the full planning group membership preceding the election. The planning group's Election subcommittee shall be established no later than January and shall begin soliciting eligible community members to become candidates. In February, the Election subcommittee shall present to the planning group a complete list of interested candidates collected up to that point in time. Candidates may be added at the February meeting. A candidate forum may be advertised and held at the February meeting.

In order to be a candidate in the March election, an eligible member of the community [see Article III, Section 2] must have documented attendance at two (2) complete meetings of the Carmel Valley Community Planning Board's last 12 meetings prior to the February regular meeting preceding the election.

Section 2. The Carmel Valley Community Planning Board shall make a good faith effort to utilize means appropriate to publicize the planning group's eligibility requirements for candidacy and the upcoming elections.

In the election process, the planning group shall seek enough new candidates to exceed the number of seats open for election in order to allow those who have served for eight (8) consecutive years to leave the group for at least one year.

The Carmel Valley Community Planning Board holds its election on the same day and immediately prior to the March regular meeting.

The Carmel Valley Community Planning Board will require proof of identity of those eligible community members who are seeking to vote in the election. The planning group shall ensure that voting is only by eligible members of the community.

The ballot presented to eligible community members to vote will clearly identify which seats individual candidates are running for, how many candidates can be selected, whether there are limitations on which candidates various categories of eligible community members can vote for and which candidates, if any, must receive a 2/3 majority of the vote due to service beyond eight or nine consecutive years of service.

The Carmel Valley Community Planning Board planning group's policy related to write-in candidates is that write-in candidates are not allowed.

Section 3. Voting to elect new community planning group members shall be by secret written ballot. Proxy voting for elections is not allowed under any circumstances. Development and promotion of "slates" of candidates is contrary to the intent of Council Policy 600-24 and is not allowed.

Section 4. The Carmel Valley Community Planning Board's election becomes final after announcing the election results: at the conclusion of the noticed, regular March monthly planning group meeting. The Chair is responsible for preparing, certifying and forwarding the election report to the City. New members shall be seated in April at the start of the regular meeting in order to allow their full participation as elected members at the April planning group meeting.

Any challenge to the election results must be filed with the chair of the Elections subcommittee in writing within 24 hours of the counting of the ballots in order to allow enough time to resolve the issue.

Section 5. Additional voting procedures of the Carmel Valley Community Planning Board are:

PM for a period of at least 30 minutes as announced at the February meeting.

Candidates shall announce their intention no later than the January meeting and shall submit an application of candidacy to the Elections Subcommittee by the January meeting. Write-in candidates shall not be allowed.

The results of the election shall be announced by the Elections subcommittee chair at the conclusion, but prior to the adjournment, of the March meeting.

If a challenge of the elections is received by the Elections subcommittee, the Elections subcommittee shall determine if there is any facts of substance provided by the challenge. Facts should be related to actions taken during the election process that are not in accordance with CP 600-24 or a community planning group's adopted bylaws, or with announced or published election procedures or lack thereof. If there is no substance to the challenge and the election results can be certified, new members can be seated in April and a ratification vote of the subcommittee's findings can be placed on the April agenda for a majority vote of the voting membership; If there is substance to the challenge, the board's officers shall discuss with the subcommittee the appropriate resolution, including declaring a seat vacant and determining how to fill it, or declaring a new election is needed.

The Brown Act includes criminal penalties and civil remedies. Both individual members of the planning group, as well as the planning group itself, may be subject to civil remedies.

Under certain circumstances, individual planning group members may face criminal misdemeanor charges for attending a meeting where action is taken in violation of the Brown Act, and where the member intended to deprive the public of information to which the member knows or has reason to know the public is entitled. Alleged violations will be reviewed and evaluated on a case-by-case basis.

Section 3. Council Policy 600-24 Violations and Remedies.  
(a) Alleged Violations by a Member of the Carmel Valley Community Planning Board

In cases of alleged violations of the Carmel Valley Community Planning Board bylaws or Council Policy 600-24 by a planning group member, the planning group may conduct an investigation consistent with the Administrative Guidelines and these bylaws.

A complaint that an individual member of a planning group violated one or more provisions of the planning group's bylaws or Council Policy 60024 may be submitted to the planning group chair by any individual, including another planning group member. The complaint should be filed within 90 days of the alleged violation.

If, after a thorough investigation, the planning group determines that the individual member has violated a provision of these bylaws or Council Policy 600-24, the planning group shall, where feasible, seek a remedy that corrects the violation and allows the member to remain as a member of the planning group.

If corrective action or measures are not feasible, the group may remove a member by a two-thirds vote of the voting members of the community planning group. The vote to remove the group member shall occur at a regularly scheduled public meeting subject to the procedures outlined in the Administrative Guidelines and these bylaws.

If the planning group member is found to be out of compliance with the provisions of these bylaws or Council Policy 60004, the planning group risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. 0-19883 NS, and any future amendments thereto.

Investigation procedures for elected member violations are outlined below:

Any action by the Carmel Valley Community Planning Board to discipline or remove a member must occur at a scheduled planning group meeting and be advertised on the agenda as an action item. Due to the significant nature of removing an elected member, and to ensure a fair and public process, the procedures for investigating a violation of a member are listed below:

Documenting a violation:

- A complaint that a violation of bylaws of Council Policy 600-24 has occurred will be presented to the planning group chair. If the complaint is about the chair, it may be presented to any other officer of the planning group.
- The complaint should be detailed enough to provide a description of, and timeframe within which, the alleged violation was committed and who was responsible for the violation.

- The complaint should provide a citation of the bylaws or Council Policy 600-24 provisions of which the action is claimed to violate. If the complaint is from someone other than another planning group member, the chair [or other officer] may assist in providing appropriate citations to assist the complainant.
- The chair will confer with the planning group officers [exception: if an officer is the subject of the grievance or has a business or personal relationship with the alleged violator] regarding the complaint.
- The chair shall create a written record of the complaint and alleged violation to share with the alleged violator.

Procedures for administering and acting on investigating a violation:  
While the authority for this process rests with this planning group, City staff may be contacted for assistance at any point in the process.

- Once the information about an alleged violation is completed in writing, the chair, with assistance from the planning group officers, will meet and talk with the planning group member against whom the violation is alleged. The allegations will be presented and the planning group member shall be given opportunity for rebuttal.
- If the chair, with assistance from the planning group officers, determines that no violation has actually occurred, the chair may record this in the record of the complaint.
- If the chair, with assistance from the planning group officers, determines that a violation has occurred but the situation can be remedied either by action of the planning group or by the planning group member, then the chair will outline the necessary actions to achieve the remedy.
- If the chair, with assistance from the planning group officers, determines that the situation cannot be remedied and that the interests of the community and the Carmel Valley Community Planning Board would best be served by the removal of the planning group member, then the chair shall set the matter for discussion at the next planning group meeting. The planning group member who committed the violation shall be given adequate notice about the meeting discussion, and will be given the opportunity to resign prior to docketing the matter for a planning group discussion.

Presenting a violation to the planning group:

- The matter of removing a seated planning group member will be placed on the planning group's agenda as a potential action item. Supporting materials from the chair or from the offending planning group member will be made available to the elected planning group members prior to the meeting.
- The matter will be discussed at the planning group's regular meeting with opportunity given to the planning group member who committed the violation to present their case and/or rebut documentation gathered by the chair with the assistance of the planning group officers. The member may also request a continuance of the item to gather more information to present to the planning group.
- At the end of the discussion, the planning group may, by a 2/3 vote, choose to remove the member.

Recourse for expelled member:

- There is no appeal available to an elected planning group member removed by a 2/3 vote of the voting members of their recognized community planning group.
- The planning group member's seat shall be immediately declared vacant and subject to provisions of Article IV.
- The removal of a planning group member by a 2/3 vote of the voting members of their recognized community planning group will not prohibit the member from running for a planning group seat in future scheduled elections.

(b) Alleged Violations Against the Carmel Valley Community Planning Board as a Whole

In the case of an alleged violation of the planning group's bylaws or of Council Policy 600-24 by the planning group as a whole or multiple members of the planning group, the violation shall be forwarded in writing to the City. The Mayor's Office will engage in a dialogue with the planning group, determining the validity of the complaint, and seeking resolution of the issue or dispute. The Carmel Valley Community Planning Board will work with the City toward a solution and the planning group recognizes that, in accordance with Council Policy 600-24, the City may consult with the Community Planners Committee.

If a violation against the planning group as a whole is proven and there is a failure of the planning group to take corrective action, the planning group will forfeit its rights to represent its community as a community planning group recognized under Council Policy 600-24. Such a determination resulting in the forfeiture of a seated group's rights to represent its community shall be based on a recommendation by the Mayor's Office to the City Council. A planning group shall not forfeit its recognized status until there is an action by the City Council to remove the status. The City Council may also prescribe conditions under which official recognition will be reinstated.

If the planning group is found to be out of compliance with the provisions of this Policy not subject to the Brown Act or its adopted bylaws risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. 0-19883 NS, and any future amendments thereto.

Note: In 2016, neighborhood boundaries for voting purposes as identified in these bylaws have been changed and new boundaries for 'voting districts' will be phased in over a two year period. There was a reduction of the residential seats in the Carmel Valley Planning Area from 10 to 6. The reduction will occur systematically over a two (2) year period to provide an organized merging of the existing residential neighborhood areas. The western portion of Neighborhood 7 will merge with Neighborhood 3 and become District 1 ; The eastern portion of Neighborhood 7 will merge with Neighborhood 4/4A and become District 2; Neighborhoods 1, 2 and 9 will merge to become District 3; Neighborhoods 5 and 6 will merge to become District 4; Neighborhoods 8, 8A, 8B and 8C will merge to become District 5, and; Neighborhood 10 will become District 6.
