COMMITTEE MEETING ACCESS AND PUBLIC COMMENT DURING COVID-19

Until further notice, Civic Center Revitalization Committee meetings will be conducted pursuant to the provisions of California Government Code section 54953(e), added by Assembly Bill 361, which allows the City to use teleconferencing and to provide the public an opportunity to address the Committee via a call-in option or an internet-based service option, during a proclaimed state of emergency.

During the State of Emergency related to the COVID-19 pandemic and in the interest of public health and safety, some, if not all, Committee members will be participating in the Committee meeting via a virtual teleconference platform. Additionally, we are continuing to provide alternatives to in-person attendance for participating in Committee meetings.

In lieu of in-person attendance, members of the public may also participate and provide comment via telephone, ZOOM, via email to the Committee Liaison at CAckermanAvi@sandiego.gov, or via U.S. Mail of written materials, as described below.

How to Speak to a Particular Item or during Non-Agenda Public Comment:

Via Virtual Platform

Members of the public may participate and provide comment via ZOOM, via email to the Committee Liaison at CAckermanAvi@sandiego.gov, or via U.S. Mail of written materials, as follows:

City Administration Building
202 C Street, 11th Floor
San Diego, CA 92101

When the Committee Chair introduces the item you would like to comment on (or indicates it is time for Non-Agenda Public Comment), raise your hand by either tapping the “Raise Your Hand” button on your computer, tablet, or Smartphone, or by dialing *9 on your phone. You will be taken in the order in which you raised your hand. You may only speak once on a particular item.

When the Committee Chair or Liaison indicates it is your turn to speak, unmute your phone by tapping the Unmute button on your computer, tablet or Smartphone, or dial *6 on your phone.

Members of the public who wish to provide virtual testimony must enter the virtual queue by raising their hand before the queue closes. The queue will close when the last virtual speaker finishes speaking or five minutes after the queue has opened, whichever happens first.

REQUESTS FOR ACCESSIBILITY MODIFICATIONS OR ACCOMMODATIONS

As required by the Americans with Disabilities Act (ADA), requests for agenda information to be made available in alternative formats, and any requests for disability-related modifications or accommodations required to facilitate meeting participation, including requests for alternatives to observing meetings and offering public comment as noted above, may be made by contacting the Committee Liaison, Christopher Ackerman-Avila, at (619) 533-6576 or CAckermanAvi@sandiego.gov. The City is committed to resolving accessibility requests swiftly in order to maximize accessibility.
