Subject: [EXTERNAL] Opinions | U.S. cities are failing to address the remote-work revolution

****This email came from an external source. Be cautious about clicking on any links in this email or opening attachments.****

Mr. Ackerman-Avila,

This is a very thought-provoking commentary on the future of downtowns.

I'm confident you'll appreciate the author's insights and hope you will share it with Committee members.

Thx,

Paul Krueger

Opinions | U.S. cities are failing to address the remote-work revolution

Homeowners' current reluctance to move (because of high mortgage rates) is buying cities time to prepare for the post-pandemic future.
