Barbara Bry
 Council District 1

THE BRY BULLETIN

February 2017

Dear Friend,

I am honored to serve as your District 1 City Councilmember, and I look forward to working closely with the entire community to keep San Diego safe, clean, and prosperous.

After being sworn into office in December, I was selected as chair of the Council Committee on Budget and Government Efficiency and vice chair of Public Safety and Livable Neighborhoods. Maintaining a balanced budget is central to our City's ability to operate

and serve the residents of San Diego, and I will encourage prudent fiscal decision-making as chair of this committee. Public safety is the number one function of local government, and I look forward to working with my colleagues on the Council and community members to advance a public safety agenda that will keep our neighborhoods safe.

I am also pleased to tell you that I have recruited an excellent team to join me in working for the residents of District 1. I expect my staff to respond rapidly to constituent needs and to assist me in developing and implementing innovative policy plans. Please do not hesitate to reach out to us for assistance with City services or to share your ideas for improving our community.

"My team and I will be out in the community attending meetings, holding office hours, meeting with residents at community coffees, and canvassing neighborhoods to learn about the priorities of District 1 residents."

Meet the D1 Team

From left: Hilary Nemchik, Communications Director; Councilmember Bry; Steve Hadley, Outreach Director; Victoria Joes, Policy Director; Venessa Jackson, Exec. Assistant; Jamie Fox, Chief of Staff, Daniel Orloff, Council Rep; Mauricio Medina, Council Rep; Bridger Langfur, Council Rep.

Council Districts 1 & 2 Say No Offshore Drilling in SD

I was proud to stand with City Councilmember Lorie Zapf, San Diego Coastkeeper, WILDCOAST, San Diego Audubon Society, and I Love A Clean San Diego in La Jolla Shores to call for the permanent protection of San Diego's coastal waters from offshore oil drilling and gas leasing. Protecting our region's waters from accidental oil spills and other negative impacts of offshore oil drilling is critical to the environmental and economic sustainability of our region. We collected over 1,000 signatures from San Diegans, and will continue to advocate for the preservation of our coastline.

Carmel Valley 5K and Fun Run

Thank you to Pardee Homes San Diego for inviting me to kick off the Carmel Valley 5K and Fun Run. It was wonderful to see so many families out enjoying their Sunday morning together.

UC Road & Trail Closures — Mid-Coast Trolley Construction

Rose Canyon bike path will be closed 7:00 am – 5:00 pm Tuesday, February 7 through Friday, February 10, 2017. This closure is to ensure cyclist, pedestrian, and crew safety on this project. Flaggers will be in the area to assist cyclists, pedestrians, and vehicles.

Genesee Avenue, from La Jolla Village Drive to Nobel Drive will be closed Friday, February 10th through Monday, February 13th, 2017 while crews work on connecting water and sewer systems. This is a full road closure. Please detour via Regents Road and Towne Centre Drive. Use the Nobel Drive entrance to access Costa Verde Center. **Work hours are 11 pm on Friday, February 10, 2017, through 5:30 am on Monday, February 13, 2017.**

Proclaiming January Human Trafficking Awareness Month

Human trafficking is a modern form of slavery and has no place in our communities. Unfortunately, this is a thriving industry in San Diego. A recent study done by the University of San Diego and Point Loma Nazarene University estimated that the total trafficking industry in San Diego generated \$810 million in revenue in 2013.

As a mother and a grandmother, I cannot think of any crime more horrific than the trafficking of a child—the average age of a victim is only 16. I was proud to join my colleagues in calling attention to this critical issue by proclaiming *January Human Trafficking Awareness Month*.

Future of the Innovation Economy

It was inspiring to learn about the projects young coding students are working on at the League of Amazing Programmers. I was especially impressed by a high school student who developed an app that tracks crime data geographically. These bright young minds are the future of our innovation economy.

D1 Council Reps Are Out in the Field

My team went out into the District to assess storm damage and provide assistance during the rainy months of December and January.

Thank you also to the City employees who worked hard to keep our neighborhoods and streets safe during the storms.

See the back page of this newsletter for your Council Rep's contact information.

Del Mar Heights Update

All-way stops to be installed along Portofino Dr. at Calais Dr., Mango Dr., and Long Boat Way.
