Clairemont

Linda Vista

**Midway / North
Bay**

Mission Bay

Mission Beach

Ocean Beach

Pacific Beach

Point Loma

CAMPBELL'S CORNER

From Councilmember Jennifer Campbell

Hello Neighbors!

I'm honored to be representing you at City Hall, making sure the voices of our Beach and Bay Communities are heard. For my first newsletter I wanted to fill you in on what the past few weeks have been like since assuming office.

From the second I was sworn in on December 10th, we hit the ground running. From hiring fantastic staff, meeting city department heads, representing you at Council & Committee meetings, we've been working hard to get up to speed as quickly as possible. Despite being in office for only a few weeks, I'm happy that we've accomplished a lot in a short time.

CAMPBELL'S CORNER

Here are a few of the highlights:

- As Chair of the Environment Committee, took the first step towards a community choice energy program in San Diego to provide clean power to America's Finest City
- Approved the Morena Blvd. Fairfield Project, which will make 150 more housing units available in our district.
- Passed the city's Styrofoam/ plastic straw ban, a major step forward in keeping our waterways clean.
- Tended to complaints about road repair, traffic calming, illegal dwelling units and more.
- Currently working with the Planning Dept. to represent the views of our citizens in regard to the three trolley stops being built along Morena Blvd.

"Java with Jen" | Clairemont

CAMPBELL'S CORNER

While that's what has happened at City Hall, our office staff has been out to all areas of the district. Our community representatives have been attending community meetings & gatherings and checking areas that need attention. I believe that City Council is the customer service department of the government and my office has been living up to that creed.

That kind of constituent care is of the utmost importance to me. That is why I've started our "Java with Jen" program, a monthly community coffee. It's a great way for all of us to get to know each other and talk about your issues and concerns. Each month, on a Saturday morning, we will be having coffee and conversation in a different area of District 2, so watch for our next one in your community.

It's been a whirlwind few weeks but I'm very happy with the progress we've made so far. On to February!

Free Flu Shot Event | Midway

Pacific Beach Holiday Parade
