

OFFICE OF COUNCILMEMBER TODD GLORIA
City of San Diego
MEMORANDUM

DATE: April 28, 2016
TO: Linda Marabian, Deputy Director, Transportation and Storm Water Department
FROM: Councilmember Todd Gloria *Todd Gloria*
SUBJECT: Proposed All-way Stop at Intersection of Mission Avenue and Monroe Avenue

In accordance with Council Policy 200-08, Section C, Alternative Process, several concerned North Park neighbors have requested the installation a stop signs for Mission Ave in the northeastern direction at Monroe Avenue.

Initial studies at Mission Avenue and Monroe Avenue in 2015 conducted by City traffic engineering staff indicated the intersection did not meet the criteria for a stop sign.

The proposal for the all-way stops was then presented to the North Park Panning Committee on April 19, 2016.

Vicki Granowitz, Chair, North Park Panning Committee, heard the proposal and the board voted 12-0-0 in favor of recommending installation of a stop sign at the intersection, which gives the Third District City Councilmember the discretion to place the stop sign at the intersection.

Thank you for your attention to this matter. Please keep me informed of the progress of the installation of this stop sign so that I may relay that information to my constituents.

cc: Gary Pence, Senior Traffic Engineer, Transportation and Engineering Department
Vicki Granowitz, Chair, North Park Planning Committee
