**Councilmember Gloria Comments on Chargers' Stadium Proposal**

SAN DIEGO, CA (March 30, 2016) – Councilmember Todd Gloria today released the following statement regarding the San Diego Chargers' plan to finance a \$1.8 billion stadium and convention center expansion Downtown by bringing a ballot measure to San Diego voters.

**"I want the Chargers to stay, just like most San Diegans do, but not at any price. My understanding of the Chargers' proposal is limited to what they published today. After briefly reviewing the document, I have many questions about how this plan will impact the City and its residents,"** Councilmember Gloria said. **"Like every taxpayer, I look forward to hearing from the team's owner how the details of this deal advance the public's interests. Ultimately, professional football is a private business and voters should consider the Chargers' stadium plan accordingly."**

Councilmember Gloria is the elected representative for Downtown, the Chair of the City's Budget Committee and the Chair Pro Tem of the Metropolitan Transit System (MTS) Board of Directors.
