

COUNCIL PRESIDENT PRO TEM MONICA MONTGOMERY STEPPE COUNCIL DISTRICT 4

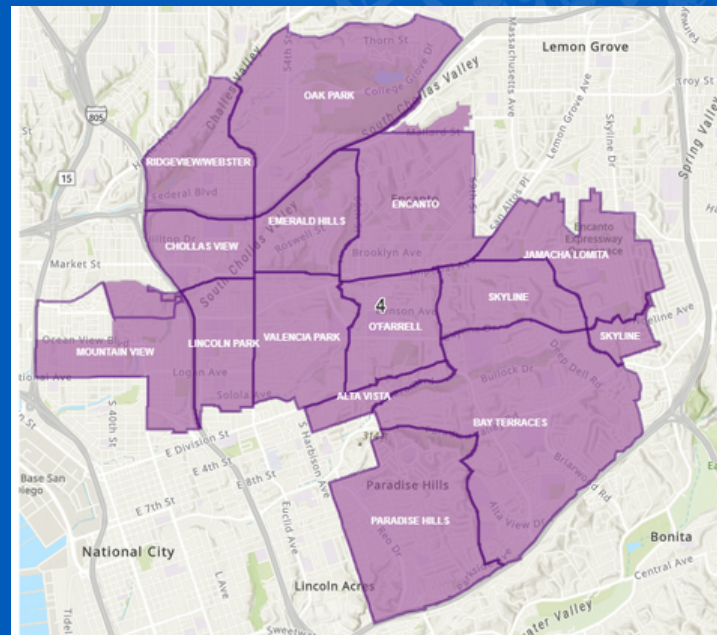

#CD4 Monthly Newsletter

FEBRUARY 2023 EDITION

In January, we celebrate the first full month of serving our new District Four communities, Ridgeview and Mountain View! I'm proud to represent communities that bring diversity, pride, and rich history to Council District Four. With the expansion of our District, the communities that make up the Fourth Council District continue to be vibrant and deserving of resources. My commitment to advocating for my constituents remains strong, and I look forward to serving our new neighbors.

In addition to changes in the District, Council has also rearranged committees and appointments. While I had the honor of serving the Public Safety and Livable Neighborhoods Committee for 4 years, this committee has split into two separate committees to prioritize and better serve our departments and constituents. These two committees are the "Public Safety" and "Community and Neighborhood Services."

It is now my pleasure to serve as the Chair of the Budget and Government Efficiency Committee, where I will have the opportunity to oversee a fair and equitable budget process that elevates our city to its best. Please look out in the future for more information about budget hearings and more information about the process in the coming months.

PERFORMANCE AUDIT OF THE CITY'S TOWING PROGRAM

On January 23rd, City Council heard the City Auditor's Performance Audit of the City's Towing program. This purpose of this audit was to evaluate the financial, equity, and public benefit effects of the City's vehicle towing program. While the availability of parking is a concern in all districts, we should also be concerned about the quality of this towing program.

JANUARY 30 | CITY COUNCIL

APPROVAL OF STATE FUNDING TO HOUSE PEOPLE LIVING IN ENCAMPMENTS

On January 30, City Council authorized the expenditure of a \$2.45 million grant awarded to the City of San Diego to help end people's homelessness in East Village.

San Diego was one of eight communities across the state last October to be awarded a portion of \$48 million in Encampment Resolution Funding (ERF). This grant will focus efforts on placing clients into long-term permanent supportive housing (PSH) through the Coordinated Entry System. It is imperative we address the ongoing challenges of encampments with long-term solutions to help San Diego's residents experiencing houselessness.
