Reaction to City Council's Vote on Resolution in Support of Assembly Bill 392

SAN DIEGO, CA - Today, City Council considered a resolution in support of Assembly Bill 392, The California Act to Save Lives, which would change California's legal standard for when police can use deadly force.

Councilmember Monica Montgomery issues the following statement:

"I am thrilled with today's vote to support AB 392, authored by our own Assembly Member Dr. Shirley Weber. By providing a clear definition for when police officers can use deadly force, this bill will put California at the forefront of strong use of force policies that will help to set the standard across the nation and will undoubtedly save lives of both community members and officers. I will continue to support measures that address police accountability and transparency, and strongly encourage our representatives in Sacramento to do the same and pass this important legislation."

Councilmember Monica Montgomery is an attorney and represents the Fourth Council District on the San Diego City Council, which includes the following communities: Alta Vista, Broadway Heights, Chollas View, Emerald Hills, Encanto, Greater Skyline Hills, Jamacha, Lincoln Park & Knox, Lomita Village, North Bay Park Terraces, Oak Park, O'Farrell, Paradise Hills, Redwood Village, Rolando Park, South Bay Terraces, Valencia Park and Webster.
