Councilmember Moreno Statement on Measure C

SAN DIEGO- Councilmember Vivian Moreno has issued the following statement regarding today's Council resolution declaring Measure C (ballot measure for increase in the City's transient occupancy tax) to have been approved in the municipal special election held in the City of San Diego on March 3, 2020:

“The ballot materials informed the voters that passage of Measure C required a two-thirds vote and the voters depend on that information being accurate and reliable.

Taking this action today to change the criteria for passage under which Measure C was presented to the voters is not forthright and I cannot support it.”

The Council will be taking action on this item during today's Council meeting. More information on this item can be found [here](#).
