SANDAG Joint Working Group Forum to Discuss Draft 2021 Regional Plan

SAN DIEGO – Tomorrow, SANDAG’s 2021 Regional Plan Working Group will hear a presentation from SANDAG staff on the draft 2021 Regional Plan that was released for public comment on May 28, 2021. Along with a discussion among working group members, there will be an opportunity for public participation and comments on the Regional Plan. The Joint Working Group is comprised of members of SANDAG’s Active Transportation Working Group, Cities/County Transportation Advisory Committee, Committee on Binational Region Opportunities, Environmental Mitigation Program Working Group, Freight Stakeholders Working Group, San Diego Regional Military Working Group, Regional Energy Working Group, Regional Planning Technical Working Group, San Diego Regional Traffic Engineers Council, Social Services Transportation Advisory Council and the 2021 Regional Plan Social Equity Working Group (of which Councilmember Moreno is Chair).

The 2021 Regional Plan provides a long-term blueprint for the San Diego region that seeks to meet regulatory requirements, address traffic congestion, and create equal access to jobs, education, healthcare, and other community resources. The Draft 2021 Regional Plan represents a reimagined future for the San Diego region and is available for review and public comment through July 30, 2021. The SANDAG Board of Directors will be asked to adopt the 2021 Regional Plan in late 2021. Once adopted, it will become the region’s long-term plan to be implemented incrementally through the Regional Transportation Improvement Program. More information can be found [here](#).
