How it works

1

FILL OUT AN APPLICATION

Fill out the application and we will forward your information to child care subsidized agencies in San Diego.

FIND A PROVIDER

Start looking for the child care provider that you want. It's important to choose your child care provider before an agency contacts you.

2

WE WILL CONTACT YOU

When funding is available, one of the agencies will contact you to complete your eligibility screening and schedule your enrollment appointment.

3

Complete Application
