1. EXECUTIVE SUMMARY

Pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311 et seq. of the Government Code of the State of California) (the “Act”), the City of San Diego (the “City”) established Community Facilities District No. 1 (Miramar Ranch North) (the “District”) to finance the acquisition and construction of certain parks/open space, road, water, sewer, fire and library related facilities.

On January 8, 1991, an election was held at which the landowner within the District approved a ballot proposition authorizing the issuance of up to \$73,000,000 of bonds to finance the acquisition and construction of authorized public facilities. On July 18, 1991 the District issued the \$35,340,000 Community Facilities District No. 1 (Miramar Ranch North) of the City of San Diego Special Tax Bonds, 1991 Series A (the “1991 Bonds”) to finance authorized facilities.

Pursuant to the Act and certain resolutions adopted on November 30, 1993, the City Council authorized change proceedings to delete the water distribution loop and the interest carry from the project, as well as reduce the authorized amount of bonded indebtedness to \$56,205,000 (subject to escalation), reduce maximum special tax rates, and provide for modifications to the Rate and Method of Apportionment to include the extraordinary special tax.

On December 27, 1995 the District issued the \$20,865,000 Community Facilities District No. 1 (Miramar Ranch North) of the City of San Diego Special Tax Bonds, 1995 Series B (the “1995 Bonds”) to finance additional authorized facilities.

The 1991 Bonds and the 1995 Bonds were refunded on July 14, 1998 by the sale of the \$59,465,000 City of San Diego Community Facilities District No. 1 (Miramar Ranch North) Special Tax Refunding Bonds, Series 1998 (the “1998 Bonds”).

The 1998 Bonds were subsequently refunded by the sale of the \$24,795,000 Community Facilities District No. 1 (Miramar Ranch North) Series 2012 Special Tax Refunding Bonds (the “Bonds”) issued on June 21, 2012. The terms of the Bonds are governed by the Bond Indenture, dated as of June 1, 2012, by and between Community Facilities District No. 1 (Miramar Ranch North) and U.S. Bank National Association (the “Trustee”) (the “Bond Indenture”). The Bonds matured with the final scheduled debt service payment on September 1, 2020. Following the final debt service payment of the Bonds, a surplus fund balance remained in the District.

All bond proceeds issued by the District to finance the authorized facilities have been spent and the projects have been finalized. Authorized facilities and improvements included streets and street facilities, traffic signals, water transmission facilities, sewage and wastewater collection and transmission facilities, storm drainage facilities, electrical utility facilities, landscaping, acquisition of land, rights-of-way and easements necessary for any of the facilities, development of parks and recreational facilities; construction of and equipment for a fire station; and contribution for a library, mass transit study and regional park/open space system.

The City retained NBS as Special Tax Consultant in 2018 and, pursuant to the scope of the existing contract, has elected to have NBS prepare the Closeout Analysis and Findings Report (the “Closeout Report”) for the District. This Closeout Report summarizes the recommendations for the disposition of the remaining funds in accordance with applicable laws and documents for the Bonds.

The City, on behalf of the District, recommends transferring the balance of the City Held Fund (the “City Held Fund”) to the City to be used for any lawful purpose pursuant to Section 3.2 (b) of the Bond Indenture:

At maturity of all the Bonds and, after all principal and interest then due on the Bonds then Outstanding has been paid or provided for and any amounts owed to the Trustee have been paid in full, moneys in the Special Tax Fund and any accounts therein may be used by the District for any lawful purpose.

On January 15, 2021, the Trustee disbursed the remaining balances of each account to the District. Monies received from the Trustee were deposited into the City Held Fund. Refer to Section 2 for Fund Analysis.

Monies transferred into the City Held Fund, resulting from the District closeout, will be allocated to an eligible Capital Improvement Project within the District. The City, on behalf of the District, has identified the project as the Scripps Miramar Ranch Library Expansion. The Scripps Miramar Ranch Library was included as part of the original authorized improvements of the District.

As part of the Closeout Analysis, NBS conducted an analysis of the special tax payments to determine any District delinquencies. As of April 29, 2021, there were four delinquent property owners. Any remaining collections will be disposed of in the same manner as the surplus funds.

3. SUMMARY OF FUNDS

The following section summarizes the disposition of each fund and account that was established per the Bond Indenture. Refer to the Bond Indenture for full details.

3.1 Administrative Expense Account of the Special Tax Fund

The Trustee shall transfer from the Special Tax Fund and deposit in the Administrative Expense Account of the Special Tax Fund from time to time amounts necessary to make timely payment of Administrative Expenses as set forth in a Certificate of an Authorized Representative of the District; provided, however, that, except as set forth in the following sentence, the total amount transferred in a Bond Year shall not exceed the Administrative Expenses Cap until such time as there has been deposited to the Interest Account and the Principal Account an amount, together with any amounts already on deposit therein, that is sufficient to pay the interest and principal on all Bonds due in such Bond Year and to restore the Reserve Account to the Reserve Requirement. Notwithstanding the foregoing, amounts in excess of the Administrative Expenses Cap may be transferred to the Administrative Expense Account to the extent necessary to collect delinquent Special Taxes. Moneys in the Administrative Expense Account of the Special Tax Fund shall be invested in any Authorized Investments as directed in writing by an Authorized Representative of the District and shall be disbursed as directed in a Certificate of an Authorized Representative.

3.2 Interest Account and Principal Account of the Special Tax Fund

The principal of and interest due on the Bonds until maturity, other than principal due upon redemption, shall be paid by the Trustee from the Principal Account and the Interest Account of the Special Tax Fund, respectively. For the purpose of assuring that the payment of principal of and interest on the Bonds will be made when due, after making the transfer required by Section 3.3 of the Bond Indenture, at least one Business Day prior to each March 1 and September 1, the Trustee shall make the following transfers from the Special Tax Fund, first to the Interest Account and then to the Principal Account; provided that, if amounts in the Special Tax Fund (exclusive of the Reserve Account) are inadequate to make the foregoing transfers, then any deficiency shall be made up by transfers from the Reserve Account:

- a) To the Interest Account, an amount such that the balance in the Interest Account one Business Day prior to each Interest Payment Date shall be equal to the installment of interest due on the Bonds on said Interest Payment Date and any installment of interest due on a previous Interest Payment Date which remains unpaid. Moneys in the Interest Account shall be used for the payment of interest on the Bonds as the same become due.
- b) To the Principal Account, an amount such that the balance in the Principal Account one Business Day prior to September 1 of each year, commencing September 1, 2013, shall equal the principal payment due on the Bonds maturing on such September 1 and any principal payment due on a previous September 1 which remains unpaid. Moneys in the Principal Account shall be used for the payment of the principal of such Bonds as the same become due at maturity.

3.3 Redemption Account of the Special Tax Fund.

Prepayments deposited to the Redemption Account, along with any amounts that an Authorized Officer of the District directs to be transferred from the Reserve Account to the Redemption Account in connection with any Prepayments, shall be applied on the redemption date established pursuant to Section 4.1 of the Bond Indenture for the use of such Prepayments to the payment of the principal of, premium, and interest on the Bonds to be redeemed with such Prepayments; provided that amounts shall be transferred from the Reserve Account only if immediately following such redemption the amount in the Reserve Account will meet the Reserve Requirement.

Moneys set aside in the Redemption Account shall be used solely for the purpose of redeeming Bonds and shall be applied on or after the redemption date to the payment of principal of and premium, if any, on the Bonds to be redeemed upon presentation and surrender of such Bonds and in the case of an extraordinary redemption from Prepayments to pay the interest thereon; provided, however, that in lieu or partially in lieu of such call and redemption, moneys deposited in the Redemption Account may be used to purchase Outstanding Bonds in the manner hereinafter provided. Purchases of Outstanding Bonds may be made by the District at public or private sale as and when and at such prices as the District may in its discretion determine but only at prices (including brokerage or other expenses) not more than par plus accrued interest, plus, in the case of moneys set aside for an extraordinary redemption, the premium applicable at the next following call date according to the premium schedule established pursuant to section 4.1 of the Bond Indenture. Any accrued interest payable upon the purchase of Bonds may be paid from the amount reserved in the Interest Account of the Special Tax Fund for the payment of interest on the next following Interest Payment Date.

3.4 Reserve Account of the Special Tax Fund

The Reserve Account of the Special Tax Fund shall maintain an amount equal to the Reserve Requirement. Per the Bond Indenture, “Reserve Requirement” means that amount as of any date of calculation equal to the lesser of (i) 10% of the initial principal amount of the Bonds, (ii) Maximum Annual Debt Service on the then Outstanding Bonds; and (iii) 125% of average Annual Debt Service on the then Outstanding Bonds.

If funded, the amounts in the Reserve Account shall be applied as follows:

- (a) Moneys in the Reserve Account shall be used solely for the purpose of paying the principal of and interest on the Bonds when due in the event that the moneys in the Interest Account and the Principal Account of the Special Tax Fund are insufficient therefor and for the purpose of making any required transfer to the Rebate Fund pursuant to Section 3.7 of the Bond Indenture upon written direction from the District. If the amounts in the Interest Account or the Principal Account of the Special Tax Fund are insufficient to pay the principal of or interest on any Bonds when due, or amounts in the Special Tax Fund are insufficient to make transfers to the Rebate Fund when required, the Trustee shall withdraw from the Reserve Account for deposit in the Interest Account or the Principal Account of the Special Tax Fund or the Rebate Fund, as applicable, moneys necessary for such purposes.
- (b) Whenever moneys are withdrawn from the Reserve Account, after making the required transfers referred to in Sections 3.3, 3.4 and 3.5 of the Bond Indenture, the Trustee shall transfer to the Reserve Account from available moneys in the Special Tax Fund, or from any other legally available

funds which the District elects to apply to such purpose, the amount needed to restore the amount of such Reserve Account to the Reserve Requirement. Moneys in the Special Tax Fund shall be deemed available for transfer to the Reserve Account only if the Trustee determines that such amounts will not be needed to make the deposits required to be made to the Administrative Expense Account, the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund on or before the next September 1. If amounts in the Special Tax Fund together with any other amounts transferred to replenish the Reserve Account are inadequate to restore the Reserve Account to the Reserve Requirement, then the District shall include the amount necessary to restore the Reserve Account to the Reserve Requirement in the next annual Special Tax levy to the extent of the maximum permitted Special Tax rates.

- (c) In connection with a redemption of Bonds pursuant to Section 4.1 of the Bond Indenture, or a defeasance of Bonds in accordance with Section 9.1 of the Bond Indenture, amounts in the Reserve Account may be applied to such redemption or defeasance so long as the amount on deposit in the Reserve Account following such redemption or any partial defeasance equals the Reserve Requirement. The District shall set forth in a Certificate of an Authorized Representative the amount in the Reserve Account to be transferred to the Redemption Account on a redemption date or to be transferred pursuant to the Bond Indenture to partially defease Bonds, and the Trustee shall make such transfer on the applicable redemption or defeasance date, subject to the limitation in the preceding sentence.
- (d) To the extent that the Reserve Account is at the Reserve Requirement as of the first day of the final Bond Year for the Bonds, amounts in the Reserve Account may be applied to pay the principal of and interest due on the Bonds in the final Bond Year for such issue. Moneys in the Reserve Account in excess of the Reserve Requirement not transferred in accordance with the preceding provisions of this section shall be withdrawn from the Reserve Account on the Business Day before each March 1 and September 1 and shall be transferred to the Interest Account of the Special Tax Fund.

3.5 Rebate Fund.

The Trustee shall establish and maintain a fund separate from any other fund established and maintained hereunder designated as the Rebate Fund and shall establish a separate Rebate Account and Alternative Penalty Account therein. The District shall cause to be deposited in the Rebate Fund such amounts as required under the Tax Certificate. All money at any time deposited in the Rebate Account or the Alternative Penalty Account of the Rebate Fund shall be held by the Trustee in trust, for payment to the United States Treasury. All amounts on deposit in the Rebate Fund shall be governed by this Section 3.7 of the Bond Indenture and the Tax Certificate.

- (a) Disposition of Unexpended Funds. Any funds remaining in the Accounts of the Rebate Fund with respect to the Bonds after payment in full of such issue and after making the payments required to comply with Section 3.7 of the Bond Indenture and the Tax Certificate may be withdrawn by the Trustee at the written direction of the District and utilized in any manner by the District.
- (b) Survival of Defeasance and Final Payment. Notwithstanding anything in this Section or Bond Indenture to the contrary, the obligation to comply with the requirements of this Section shall survive the defeasance and final payment of the Bonds.

- (c) Amendment Without Consent of Owners. Section 3.7 of the Bond Indenture may be deleted or amended in any manner without the consent of the Owners, provided that prior to such event there is delivered to the District an opinion of Bond Counsel to the effect that such deletion or amendment will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds issued on a tax-exempt basis. Notwithstanding any provision of this Section, if the District shall provide to the Trustee an opinion of a nationally recognized bond or tax counsel that any specified action required under Section 3.7 of the Bond Indenture is no longer required or that some further or different action is required to maintain the tax-exempt status of interest on the Bonds, the Trustee and the District may conclusively rely on such opinion in complying with the requirements of this Section, and the covenants hereunder shall be deemed to be modified to that extent.

3.6 Surplus Fund

After making the required transfers according to the Bond Indenture, as soon as practicable after each September 1, and in any event prior to each October 1, the Trustee shall transfer all remaining amounts in the Special Tax Fund to the Surplus Fund, unless on or prior to such date, it has received a Certificate of an Authorized Representative directing that certain amounts be retained in the Special Tax Fund because the District has included such amounts as being available in the Special Tax Fund in calculating the amount of the levy of Special Taxes for such Fiscal Year pursuant to Section 5.2(b) of the Bond Indenture. Moneys deposited in the Surplus Fund will be transferred by the Trustee at the direction of an Authorized Representative of the District (i) to the Interest Account or the Principal Account of the Special Tax Fund to pay the principal of and interest on the Bonds when due in the event that moneys in the Special Tax Fund and the Reserve Account of the Special Tax Fund are insufficient therefor; (ii) to the Reserve Account in order to replenish the Reserve Account to the Reserve Requirement; (iii) to the Administrative Expense Account of the Special Tax Fund to pay Administrative Expenses to the extent that the amounts on deposit in the Administrative Expense Account of the Special Tax Fund are insufficient to pay Administrative Expenses; or (iv) for any other lawful purpose of the District.

The amounts in the Surplus Fund are not pledged to the repayment of the Bonds and may be used by the District for any lawful purpose. In the event that the District reasonably expects to use any portion of the moneys in the Surplus Fund to pay debt service on any Outstanding Bonds, the District will notify the Trustee in a Certificate of an Authorized Representative and the Trustee will segregate such amount into a separate subaccount and the moneys on deposit in such subaccount of the Surplus Fund shall be invested at the written direction of the District in Authorized Investments the interest on which is excludable from gross income under Section 103 of the Code (other than bonds the interest on which is a tax preference item for purposes of computing the alternative minimum tax of individuals and corporations under the Code) or in Authorized Investments at a yield not in excess of the yield on the issue of Bonds, unless, in the opinion of Bond Counsel, investment at a higher yield will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

3.7 Costs of Issuance Fund

The moneys in the Costs of Issuance Fund shall be disbursed by the Trustee pursuant to a Certificate of an Authorized Representative of the District to pay Costs of Issuance.

Upon receipt of a Certificate of an Authorized Representative of the District stating that all or a specified portion of the amount remaining in the Costs of Issuance Fund is no longer needed to pay Costs of Issuance, the Trustee shall transfer all or such specified portion, as applicable, of the moneys remaining on deposit in the Costs of Issuance Fund to the Interest Account of the Special Tax Fund. On the date which is six months after the date of issuance of the Bonds, all amounts remaining in the Costs of Issuance Fund shall be transferred to the Interest Account of the Special Tax Fund and the Costs of Issuance Fund shall be closed.

4. DELINQUENCIES

As of April 29, 2021, there were four delinquent parcels within the District. To date, there are no open foreclosure proceedings on the delinquent parcels.

The total delinquent amount is approximately \$5,900, not including penalties, interest, and fees. Any remaining funds that may be collected from the delinquent installments shall be disposed of in the same manner as the funds discussed in Section 2 of this Closeout Report. Refer to table below for the list of delinquencies.

WHEREAS, the City of San Diego (City) previously established Community Facilities District No. 1 (Miramar Ranch North) (CFD No. 1), pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California (Act); and

WHEREAS, in 1991, an election was held and the landowners, comprised of the qualified voters of CFD No. 1, authorized CFD No. 1 to incur bonded indebtedness (Bonds) in an aggregate principal amount not to exceed \$73,000,000 and approved the Rate and Method of Apportionment of the Special Taxes (RMA) for CFD No. 1 to pay the principal of and interest on the Bonds; and

WHEREAS, the Council of the City of San Diego (Council), acting as the legislative body of CFD No. 1 (Legislative Body) pursuant to both Resolution No. R- 277111 adopted by the City on January 8, 1991 and Ordinance No. O-17588 adopted by the City on February 19, 1991, authorized the levy of a special tax sufficient to pay principal, interest and other periodic costs with respect to the Bonds, as well as administrative expenses and other amounts necessary to meet the Annual Special Tax Levy requirement, as defined in the established RMA for CFD No. 1; and
