*Coordinated Access to Resource and Engagement*

**Chollas View | Ridgeview | Webster (Council District 4)**

**May 16– 18, 2023**

### Service Model

Community Coordinated Access to Resource and Engagement (C.A.R.E.) Events employ a multi-agency effort, consisting of the City of San Diego Coordinated Outreach personnel, the County of San Diego Health and Human Services, and an array of community partners to engage individuals experiencing unsheltered homelessness in identified priority areas. Field outreach teams canvass the area to engage unsheltered folks and connect them to supportive services necessary to achieve housing stability. The event provides access to case management, health education, public benefits, mental health and substance abuse treatment, primary care referrals, and access to hygiene kits, transportation, and basic essentials.

### Base of Operations

The base of operations was located in the parking lot near 1733 Euclid Ave, San Diego, CA 92105 adjacent to the out-of-business “Big Lots” store and at the intersection of Euclid Ave and Federal Blvd.
