Dear Mr. Stearman:

The City Council has referred to this office for reply your recent communication concerning the hours of operation of cabarets.

As you know, since your letter was written the City Council followed the recommendation of the Police Chief and this office that the existing code provisions governing cabarets remain unchanged. These regulations, of course, apply to all establishments operating under a cabaret license, whether or not alcoholic beverages are sold.

Thank you for your letter and your expression of opinion, which was given consideration in the Council's deliberations.

Very truly yours,

T. W. Fletcher,
City Manager
