

3D Print by Request @ Clairemont Library

We are excited to offer 3D Print by Request service! Send us your 3D designs and get them printed in one week for pickup at the Clairemont Library. Questions? Email Lab staff at: clstaff@sandiego.gov or call us at 858-581-9935.

3D Print by Request Procedures

- Complete this 3D Print Request form (all fields are required to process your request).
- Send request form and .STL file to clstaff@sandiego.gov
 - File name should read: Your *First_Last Name_Date Submitted_Model Name.stl*
(example: *Jane_Doe_1.2.20_thebestmodelever.stl*)

Policy

- One print per person per week.
- Files will be printed in the order in which they are received.
- 3D print model must be in .STL format and accompanied by a 3D Print Request Form.
- 3-hour print time limit per week.
- Multi-Part Prints: please submit separate requests for each part of your project.
- Patrons can request filament color (one color per print), but colors are dependent on available supplies.
- The library staff reserves the right to refuse any 3D print request.
- Staff cannot guarantee model quality or stability, nor confidentiality of designs. Staff will not remove rafts and supports.
- 3D printer model: MakerBot Replicator 5th Gen
