

LAND USE WORKSHOP

CLAIREMONT COMMUNITY PLAN UPDATE

COME JOIN US!

- This workshop will include multiple stations highlighting areas in the community.
- Workshop participants will be able to review different land use options for each area and make selections.
- Conceptual imagery, including renderings, will illustrate the type of development that could potentially occur with each land use option.
- Workshop participants will be able to indicate their selections on an individual comment booklet, which will be submitted at the end of the workshop.
- The results from this workshop will be summarized and posted to the project's website, and will inform the community plan update process.

Note: If you cannot attend please visit www.clairemontplan.org, where an online interactive version the workshop will be available after January 30th, 2019)
