Mr. Jesse Anderson  
Clow Valve Company  
867 Mimosa Ave  
Vista, CA 92081

Dear Mr. Anderson:

Subject: Approval of Clow Model 865 Fire Hydrant

This is in reference to your application in which you requested the City of San Diego (City) to evaluate Clow Model 865 Fire Hydrant for approval and addition to the City's Water Approved Materials List.

The City has completed the evaluation and determined that adequate product information has been presented to approve the Clow Model 865 Fire Hydrant. This product will be included in the next Water Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of the Clow Model 865 Fire Hydrant is contingent on the following conditions:

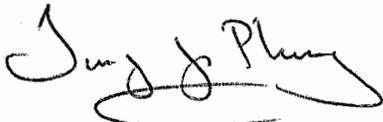

- 1) Clow Model 865 Fire Hydrant shall be manufactured at 1375 Magnolia Ave, Corona, CA 92878.
- 2) The Clow Valve Company shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.
- 3) The Clow Valve Company shall provide application/installation procedures for the product to ensure they meet the current Standard Specifications for Public Works Construction (Greenbook) and the current City's Whitebook. The installer shall meet the specification conditions required for the proper installation of the product as specified by the Clow Valve Company or any of the Clow Valve Company's authorized suppliers.

- 4) Any unilateral action by the Clow Valve Company without seeking prior consultation and agreement from the City regarding the above mentioned conditions and limitations shall constitute a breach of agreement, resulting in the removal of the Clow Valve Company's product from the City's Approved Materials List.

Congratulations on your success in being included on the City's Water Approved Materials List.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tung J. Phung', with a stylized flourish at the end.

Tung J. Phung, P.E.  
Senior Civil Engineer
