COUNCILMEMBER WARD STATEMENT ON 2018 STATE OF THE CITY ADDRESS

SAN DIEGO, CA – (Thursday, January 11, 2018) – San Diego Councilmember Chris Ward (District Three) made the following statement following Mayor Faulconer's 2018 State of the City address:

"It is encouraging that the Mayor remains committed to expanding our homeless response and plans to build on the emergency responses from 2017 to pursue sustaining solutions to this crisis. I'm glad to see several of the ideas that my Select Committee on Homelessness worked on last year incorporated into his vision for efforts this year, and I look forward to working with committee members and the Mayor's team to pursue additional strategies to help our neighborhoods and get homeless San Diegans off the streets into stable housing."
