PUBLIC COMMENT

Viviana Zepeda – Supports the dog park and had a few questions about lighting, what kind of fencing was going to be used, and how the park would be maintained.

Kami Leone – Supports the dog park and asks if this presentation could be presented at the Rolando community council meeting. Suggests having a monthly clean up at the park to help keep it nice.

Kara Camden – Supports the dog park. Sabrina Young is a teacher from Clay and supports this too but couldn't be here tonight. It will help get the dogs off the field so the kids wont run through poo. Supports gathering more community input via Rolando Community Council.

Daniele Laman – Is in favor of the presentation being given at the Rolando community council meeting as an information item but does not want that to hold up have a motion tonight to move forward with this project.

Sue Richardson – Supports using the money for the project. Suggest reaching out to the neighbors directly because sometimes the information only reaches the landlord and not the tenants.
